

Aurex Expands Leadership Team with Appointment of Bob Jurenko as Vice President of Business Development

Jurenko brings decades of strategic and technical leadership in aerospace and defense, helping Aurex remain mission-ready and poised for continued growth

HUNTSVILLE , AL, UNITED STATES, August 31, 2026 /EINPresswire.com/ -- [Aurex](#), a mission-focused aerospace and defense company building the next frontier of deterrence, today announced the appointment of Bob Jurenko as Vice President of Business Development. A seasoned industry leader, Jurenko brings extensive expertise in emerging technologies and commercial aerospace. Most recently, he served as Director of Hypersonic & Strategic Defense Programs at Firefly Aerospace, a U.S. based aerospace company.

In his new role, Jurenko will help expand Aurex's portfolio of opportunities, engage new customers and shape initiatives that showcase the company's growing range of products and capabilities.

"Bob Jurenko is an innovator at his core with a rare ability to translate deep aerospace and defense expertise into customer-focused growth strategies," said Dominick Barry, Chief Operating Officer at Aurex. "We are thrilled to welcome him to our team. His understanding of the defense landscape, and where it is headed, will be invaluable as Aurex

Aurex expands leadership team with addition of Bob Jurenko, VP of Business Development.

helps shape the industry's future."

Aurex recently [showcased](#) its expanding portfolio of capabilities, products and innovations while delivering new hypersonic development and testing capabilities along with expanded mission support at the annual Space and Missile Defense Symposium in Huntsville, which drew record attendance. Building on that momentum, Jurenko will help connect these solutions with customers and industry partners while identifying opportunities to deliver mission-ready solutions for evolving defense needs.

"Engineering the Edge of Possible is not just an aspiration – it's the reality of how Aurex operates," said Bob Jurenko, Vice President of Business Development at Aurex. "I'm excited to bring a perspective shaped across academia, government, and industry to a team that understands the importance of speed, agility, and affordability, especially at a time when our nation needs companies that can perform and reliably deliver advanced aerospace and defense solutions when they are needed most."
