

Accel Events & Tents Expands Oahu Inventory with New Tenting and Lounge Collections

Hawaii's largest Oahu-based event rental company adds new structures and furniture ahead of the fall and winter booking season

HONOLULU, HI, UNITED STATES, August 26, 2026 /EINPresswire.com/ -- [Accel Events & Tents](#), the largest [event rental company](#) on Oahu, has expanded its rental inventory with new tenting and structure options and a new collection of lounge furniture. The additions give event planners, couples, venues, and businesses more ways to create fully designed events using inventory available locally in Hawaii. The new pieces are available to book now.

Producing an event in Hawaii can require coordinating several vendors, particularly when a design calls for specialty structures or furnishings that are not readily available on-island. In some cases, pieces must be sourced and shipped from the mainland, adding time, cost, and logistical complexity to the planning process.

Accel's latest inventory expansion is designed to reduce that burden. With more tenting, furniture, tabletop, linen, lighting, flooring, and catering equipment available through a single local rental partner, clients can source more of what they need from Accel's Hawaii-based inventory.

Expanded Tenting and Structure Options

The new tenting and structure inventory broadens the range of event footprints Accel Events & Tents can accommodate, from intimate outdoor celebrations to large weddings, corporate gatherings, and full-scale productions.

A key addition is Accel's 50-foot-wide Wide Track Tent, a large-format structure available in both clear and white configurations. Its specifications and potential capacities include:

Width: 50 feet

Maximum length: Up to 150 feet

Maximum covered space: Up to 7,500 square feet

Available styles: Clear and white

Seated dinner capacity: Approximately 350 guests

Cocktail-style capacity: Approximately 500 guests

Theater-style capacity: Up to 1,000 guests

The flexible configuration gives planners more options when designing large-scale events around the venue, guest count, seating arrangement, and overall atmosphere. Actual capacity can vary based on staging, dance floors, bars, catering areas, furniture, and other event requirements.

For outdoor events in Hawaii, tenting involves more than selecting the right size and appearance. Wind, weather, site conditions, anchoring, installation, and other safety considerations all play a role in determining the appropriate structure for a particular event.

Alongside its inventory expansion, Accel is working with the American Rental Association to establish the first local professional tenting safety

training program in Hawaii. The initiative is intended to make industry-specific tent safety education more accessible locally and support stronger installation and safety practices across the state.

New Lounge and Furniture Collection

Accel has also expanded its lounge inventory with new sofas, loveseats, accent chairs, ottomans, benches, coffee tables, side tables, nesting tables, and area rugs for weddings, corporate events, private parties, and other gatherings throughout Hawaii.

New additions include:

Sofas and Loveseats

Harper Sofa

Christopher Loveseat

Chairs and Seating

Sage Accent Chair

Sage Ottoman

Christopher Side Chair

Malie Side Chair

Brown Leather Bench, 54"

Coffee and Side Tables

Christopher Coffee Table

Boho Side Tables, Set of 2

Basket Side Tables, Set of 2

Zoire Side Table

Malie Side Table

Cane Nesting Tables, Black, Set of 2

Cane Nesting Tables, Natural, Set of 2

Area Rugs

Boho Rug, 6' x 9'

Sand Area Rug

Together, the mix of upholstered seating, natural textures, leather, cane-inspired pieces, rugs, and coordinating tables gives planners more flexibility to create spaces ranging from relaxed, island-inspired lounges to polished contemporary settings.

The collection was selected to complement Accel's [existing rental inventory](#) rather than function as a standalone line. Planners and clients can pair the new lounge pieces with Accel's tables, chairs, linens, tabletop pieces, bars, lighting, flooring, and other rentals to carry a consistent design throughout an event.

The expanded inventory also gives planners more flexibility to create distinct spaces within a single venue. Lounge groupings can be used for cocktail areas, reception seating, networking spaces, VIP areas, and other settings where traditional banquet seating may not fit the atmosphere or function of the event.

For larger productions, sourcing more of these elements from one local rental partner can also simplify coordination between design, delivery, installation, and breakdown.

About Accel Events & Tents

Accel Events & Tents is the largest event rental company on Oahu, providing tents, lighting, flooring, lounge furniture, tables, chairs, linens, bar fronts, catering equipment, and tabletop rentals for weddings, corporate events, private celebrations, and other events across Hawaii. Accel also provides in-house event planning and design services, giving clients access to rental inventory and event expertise through one local team.

The company operates around three core values: Laulima, working together; Ho'okipa, hospitality; and Pono, doing what is right. Accel holds a 4.6-star rating across more than 100 Google reviews.

Accel Events & Tents is headquartered at 1299 Kaumualii Street, Honolulu, HI 96817, with additional operations on Maui.
