

BILL Returns as Titanium Sponsor for Finance & Accounting Technology Expo (FATE) 2026

BILL Returns as Titanium Sponsor for Finance & Accounting Technology Expo (FATE) 2026.

NEW YORK, NY, UNITED STATES, August 28, 2026 /EINPresswire.com/ -- The [Finance & Accounting Technology Expo \(FATE\)](#) today announced that [BILL](#) returns as a Titanium Sponsor for the third annual event, taking place November 18–19 at the Javits Center in New York City.

A founding partner of the expo, BILL has supported FATE since its inaugural year, helping shape an event built around practical technology discovery for finance and accounting professionals. Known for both industry expertise and its crowd-favorite mini fig building station, the BILL team creates an environment where attendees can connect with experts, explore solutions, and see how automation is transforming finance operations.

“

ATE has quickly become one of the most important events in the accounting and finance technology space, and we're proud to return as a Titanium sponsor for the third consecutive year.”

JC Franzen, Director of Product Management, BILL

"BILL has been an incredible partner since day one," said RD Whitney, FATE Director. "Their team embodies what FATE is all about. We're excited to welcome them back and continue building on this partnership."

BILL is the intelligent finance platform trusted by nearly half a million businesses and their accountants to manage, move, and maximize their money. Powering businesses ranging from fast-moving startups to growing companies with complex operations, BILL uses AI to deliver strategic finance capabilities in one integrated platform that includes AP, AR, expenses, forecasting, procurement and

more.

At FATE 2026, the team will present two theater sessions and a live Stack Hack demo:

Sync, secure, and see everything: how BILL connects your finance stack for continuous close — how real-time, two-way sync enables continuous close, tighter payment controls, and cash visibility for finance leaders

Two perspectives, one platform: how finance teams and accounting firms are winning with BILL — an accounting firm and in-house finance team in honest conversation about what changes when financial operations run on an AI-powered platform

Stack Hack (15 min): Fraud flagged. Invoice coded. Payment out. Data synced. See BILL AI live. — a live walkthrough of BILL's full AI-powered AP flow

"At BILL, we're committed to helping finance teams work smarter — and this event gives us the opportunity to connect directly with the CFOs, controllers, and AP/AR leaders who are on the front lines of that transformation. FATE has quickly become one of the most important events in the accounting and finance technology space, and we're proud to return as a Titanium sponsor for the third consecutive year." said JC Franzen, Director of Product Management at BILL.

As FATE enters its third year, continued support from partners like BILL helps create a focused, high-signal experience where finance leaders can discover emerging technologies, compare solutions side by side, and make more confident technology decisions.
