

SAGA Restaurant & Bar Unveils Spectacular Oceanfront Dining at Viking Sunset Studios in Bali

BALI's new SAGA restaurant featuring vibrant fusion cuisine, oceanfront mixology, and massive infinity pool views inside Indonesia's premier film resort.

BERABAN BEACH, BALI, INDONESIA, August 27, 2026 /EINPresswire.com/ -- Bali's dining and lifestyle scene welcomes an extraordinary new destination with the official opening of [SAGA Restaurant & Bar](#), situated on the dramatic black-sand coastline of Beraban Beach. Designed as a sensory retreat where world-class gastronomy meets coastal luxury, SAGA pairs an inventive Italian-Indonesian fusion menu with one of the largest infinity resort pools in Bali—complete with sweeping sunset vistas and submerged underwater bar seating.

Perched directly above the breaking surf, SAGA delivers a vibrant dining and cocktail experience crafted around relaxed oceanfront elegance:

- **One of Bali's Largest Infinity Resort Pools & Underwater Bar Seating:** Stretching across the beachfront deck, the resort's massive infinity pool looks straight out over the Indian Ocean. Guests can enjoy signature cocktails without leaving the water, pulling up to built-in underwater barstools or lounging along the water's edge for unhindered golden-hour views.
- **Bold Italian-Indonesian Fusion:** A vibrant culinary program bringing together classic Italian craftsmanship and Indonesia's rich spice heritage. Signature offerings include artisanal wood-fired plates accented with Balinese sambal matah, handmade pastas tossed in slow-braised rendang ragù, and freshly caught local seafood finished with Mediterranean citrus and herbs.

Chefs from Dubai and Seminyak cook up a storm on the beach!

- Elevated Mixology & Sunset Lounge: An open-air bar concept celebrating artisanal spirits, tropical botanicals, and house infusions, curating the perfect soundtrack and drink menu for long lunches, sunset aperitivos, and evening gatherings.
- The Beraban Beach Setting: Set along an uncrowded expanse of black volcanic sand, sea caves, and coral cliffs, offering an intimate, front-row seat to Bali's most vivid sunsets.

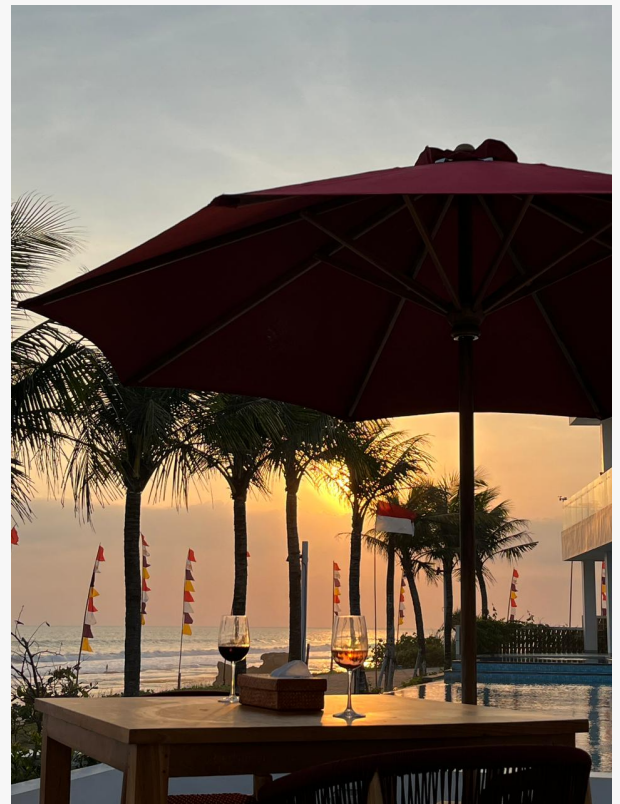

"Beraban Beach offers one of the most breathtaking coastal settings on the island, making it the ideal home for relaxed afternoons and unforgettable sunset dinners," said Vivian Ikdayah, Manager at SAGA Restaurant & Bar. "At SAGA, we've created an atmosphere where food, mixology, and scenery work in complete harmony. Whether guests are swimming up to our underwater pool bar or sharing wood-fired fusion dishes right by the ocean, every detail is designed to celebrate the moment."

The culinary ethos behind the venue also connects closely to long-standing community impact. For years, global food rescue foundation Scholars of Sustenance (SOS) run by SAGA's founder has served millions of meals of nourishing food and quality nutrition to communities across Asia—and that same passion for quality, wholesome ingredients is infused into the kitchen at SAGA. "We are deeply proud to be here in Tabanan and to develop this beautiful region for something as magnificent as international filmmaking," said Eka Widya, Manager at SOS Foundation and SAGA. "Bringing world-class film production and exceptional dining together right here on Beraban Beach creates new opportunities and puts Tabanan firmly on the global creative map."

"We are thrilled to welcome the public onto our studio grounds with the opening of SAGA," said

Bo H. Holmgreen, CEO of Viking Sunset Studios. Fresh from the global premiere in Kuala Lumpur of Viking's *The Ghost and the Gun*, an epic Malaysian wartime film, Mr. Holmgreen added: "Opening a restaurant on this beachfront is a major milestone, and with our own dedicated culinary team, every production we host can now enjoy top-tier catering from our kitchen. Happy stomachs mean happy crews—and happy crews make happy films. Good food also encourages deep thinking and creativity, and with the sunsets and crashing waves inspiring all our guests, SAGA adds a beautiful new aspect to our studios."

Located just a short, scenic coastal drive north of Canggu—Bali's thriving tourism and lifestyle epicenter—SAGA Restaurant & Bar offers the ultimate oceanfront getaway from the bustling beach clubs and crowded strips.

The journey winds past lush emerald rice paddies and traditional coastal villages before opening directly onto the tranquil, dramatic volcanic sands of Beraban Beach. For travelers and locals staying in Canggu, the easy drive is well worth the trip: rewarding guests with uncrowded panoramic Indian Ocean views, a massive infinity pool to cool off in, and an inventive Italian-Indonesian fusion menu that makes it a true culinary destination on Bali's southwest coast.

Adding to its appeal, SAGA is located within Viking Sunset Studios, the international film production resort home to Indonesia's largest sound stage. Guests can dine and unwind in the same coastal setting that has welcomed leading actors and creative talent, and where acclaimed global productions have taken shape—including the multi-award-winning thriller *Bandit*, recognized at the TCL Chinese Theatre, *Dances With Films*, and the Burbank International Film Festival; the post-WWII historical drama *The Ghost and the Gun*, premiering in Kuala Lumpur this week; and *The Pirate Queen*, starring Lucy Liu, which competed at the Cannes Film Festival this year. International filmmaking has arrived in Bali, and guests can experience it firsthand from the beachside grounds of the studio.

SAGA Restaurant & Bar is now open and accepting reservations for lunch, sunset drinks, and dinner service.
