

NORTH COUNTRY LIMOUSINE OPENS RESERVATIONS FOR FALL WINERY TOURS ON LONG ISLAND

PREMIER SUFFOLK COUNTY TRANSPORTATION COMPANY IS READY FOR THE AUTUMN RUSH OF GROUP WINE TOUR BOOKINGS ON LONG ISLANDS EAST END

SELDEN, NY, UNITED STATES, September 1, 2026 /EINPresswire.com/ -- As fall approaches, the team at North Country Limousine, a top-rated luxury transportation company in Suffolk County, has announced that it is now accepting bookings for its popular group winery tour transportation service.

Long Island Wine Tours by North Country Limousine

Fall is the peak season for wine tasting in Suffolk County, with tens of thousands of visitors heading to the North Fork and Hamptons before winter. The autumnal foliage and mild weather attract guests, while the start of the harvest and crush make wine tasting rooms and vineyards buzz with activity. Fall is also when most vineyards release special edition wines and small-batch products, so a visit to a tasting room is a chance to pick up something that will never be on store shelves.

“

We're excited for another season of winery tours, and our best advice is to book as early as possible, because availability is limited.”

James Snider ~ Owner

"We're excited for another season of winery tours, and our best advice is to book as early as possible, because availability is limited," said James Snider at North Country Limousine. "Vineyards are busiest in the fall, so we've

partnered with some special North Fork wineries to offer priority reservations. Our passengers don't wait for tables and tastings."

NORTH COUNTRY LIMOUSINE OFFERS TWO TYPES OF WINE TOUR TRANSPORT PACKAGES

North Country Limousine manages transportation and logistics to keep wine tours on schedule during fall when visitor numbers and road traffic peak.

- **Partner Winery Tour Packages:** The company offers transportation with integrated reservations for Duck Walk Vineyards, Jason's Vineyard, and Pindar Vineyards, all on the North Fork. Groups get priority reservations to avoid disappointment during the harvest.
- **Self-Booked Winery Tours:** For groups looking to book at other vineyards, including popular choices like Channing Daughters Winery and Wölffer Estate Vineyard, North Country Limousine provides the transportation and logistics.

North Country Limousine can combine partner and non-partner wineries on a tour itinerary. Its service is customizable in every aspect, from timing and destinations to group size and vehicle selections.

AN EXTENSIVE LUXURY FLEET FOR WINE TASTING TOURS

A meticulously maintained [luxury fleet of vehicles](#) suits groups of any size. North Country Limousine is one of the largest private transportation providers on Long Island.

MAKING THE MOST OF A WINE TASTING EXPERIENCE

North Country Limousine has offered some simple advice for anyone thinking about going on a wine tasting tour.

- Chilled bottled water is provided for every passenger. Hydration is essential between tastings.
- Limit the itinerary to 2 or 3 wineries to minimize travel time.
- Food trucks operate at most major wineries.
- Winery tours aren't just for wine tasting. Many local wineries produce beer or partner with local breweries to offer unique craft creations.
