Zach Wiewel Named Rising Star 2026

“

Estate planning is about giving families peace of mind at moments that can otherwise feel overwhelming. Helping people plan for those moments is one of the most rewarding parts of our work.”

Zach Wiewel

Wiewel focuses his practice on estate planning, probate and trust administration and taxation, helping individuals and families in Central Texas address complex legal and financial considerations while planning for the future and navigating the administration of estates. He holds a Juris Doctor, magna cum laude, from Georgetown University Law Center and a Master of Laws (LL.M.) in Taxation from New York University School of Law, and earned his bachelor's degree with honors from Texas A&M University.

"Being recognized by my peers three years running is

humbling, and it reflects the work of our entire team," said Wiewel. "Estate planning is about giving families clarity and peace of mind at moments that can otherwise feel overwhelming.

Helping people plan for those moments is one of the most rewarding parts of our work."

"Zach has been a principal of this firm since 2021, and this kind of peer recognition confirms what our clients already know about the quality of his counsel," said Brad Wiewel, founder of Texas Trust Law and a Board Certified specialist in Estate Planning and Probate Law. "We work hard to provide our clients with the best possible planning and guidance, and it is especially gratifying to see his peers place that type of trust in him."
