

Truck1 Becomes Official Media Partner of TransLogistica Romania 2026

Truck1 joins TransLogistica Romania 2026 as an official media partner, supporting the international visibility of the transport and logistics sector.

BUCHAREST, ROMANIA, August 28, 2026 /EINPresswire.com/ -- [Truck1](https://www.Truck1.eu) has joined TransLogistica Romania 2026 as an official media partner, supporting the international visibility of one of the region's key business events for transport, logistics and freight forwarding professionals.

The fifth edition of TransLogistica Romania will take place from September 8–10, 2026, at ROMEXPO in Bucharest. The exhibition brings together transport companies, fleet operators, freight forwarders, logistics providers, cargo owners and technology suppliers, creating a focused environment for business meetings, networking and the evaluation of solutions for modern transport and logistics operations.

The event covers a broad range of products and services, including commercial vehicles and trailers, fleet management and telematics systems, transport services, as well as equipment and technologies for warehousing and logistics management.

TransLogistica Romania has developed into an increasingly international meeting point for the sector. Its 2025 edition attracted 110 exhibitors and 2,700 participants from 20 countries, with a significant share of exhibitors coming from outside Romania.

Through the media partnership, Truck1 will help extend the visibility of TransLogistica Romania and its professional community beyond the exhibition itself. While the event creates opportunities for direct meetings and business networking in Bucharest, Truck1 provides an international digital marketplace where professional sellers can present commercial vehicles, machinery and equipment to buyers across multiple markets.

About Truck1

Truck1 is an international marketplace for commercial vehicles, machinery and equipment, connecting professional sellers with buyers across more than 80 countries. Available in 36 languages, the platform features offers for trucks, trailers, construction and agricultural machinery, material handling equipment and other specialized vehicles and equipment.

Through its localized marketplaces, Truck1 helps dealers and professional sellers increase the international visibility of their stock and reach buyers across different markets.
