

The Radiology Group Launches 'WeCare!' Across New Mexico

National Radiology provider, TRG, launches it's we care platform and AI services across New Mexico, helping to create financial stability within Radiology

NM, UNITED STATES, August 27, 2026 /EINPresswire.com/ -- [The Radiology group](#) is adding New Mexico to its portfolio of states, making it the 13th state that it currently operates in. CEO Anand Lalaji MD states "New Mexico is one of the hardest hit states in regards to access to care and rural communities. By executing our proprietary, WeCare! model, and our innovative [AI](#) platforms to improve volume, revenue, patient safety across the spectrum, we have contributed to the success of our rural hospital partners" Lalaji touts "Our consistent turnaround times, the fact that every hospital has equal priority, our innovative, communication platform, and our AI technology all within one bundled service has created a fully functional self perpetuating Radiology ecosystem that is financially viable"

We look forward to working with CAH's Rural and community hospitals across NM!
