"Impeccable job. The owner treats your floor as though it was for his own home. Meticulous, attention to every detail. I can't say enough good things about this company."

"Laszlo and Frank did a great job bringing our original maple floors back to life with a custom stain from Steeles Paint. They paid great attention to detail, kept everything dust-free and clean, were extremely personable and best of all, the price was very reasonable. We can recommend Laszlo to anyone looking for a professional job."

"We just had our floors resurfaced and re-stained . It's very rare to find contractors that do what they say. This company arrived on time everyday. They were hardworking and genuinely wanted to do an outstanding job. And they did. We are more than pleased with the outcome. Based on the work performed I would highly recommend this company. And once done you could see how proud they were with the work performed. Price was fair, quality outstanding and they were extremely knowledgeable about what they were doing. You just never know what you will get when calling a contractor. These guys were amazing!"

"Halton Hardwood Flooring did an amazing job on our home. Laszlo, along with Frankie, installed new hardwood upstairs, refinished the existing hardwood on our main floor, and completed our stairs as well. The quality of their work was excellent, and their attention to detail really stood out.

You can tell Laszlo takes a lot of pride in his work and genuinely cares about the finished product. Everything turned out beautifully, and we're very happy with the result. I would definitely recommend Laszlo and Halton Hardwood Flooring to anyone looking for high-quality hardwood flooring work."
