

Twin Sun Promotes Maggie Chafee to Lead Developer

Promotion recognizes client leadership and development of other team members

NASHVILLE, TN, UNITED STATES, September 2, 2026 /EINPresswire.com/ -- [Twin Sun](#), a Nashville-based custom software development company, today announced the promotion of Maggie Chafee from Software Developer to Lead Developer, effective immediately. This promotion recognizes Maggie's leadership on client projects and demonstration of Twin Sun's core values.

Since joining Twin Sun, Maggie has taken on steadily broader responsibility. Her promotion recognizes her command of the projects she leads, the continuity she has provided clients through a leadership transition earlier this year, and her work bringing other developers up to speed on client efforts.

"Maggie stepped into leadership of a key client relationship without missing a beat," said Jami Couch, CTO of Twin Sun. "She knows the platform, she knows the client, and she has kept everything moving at the pace our clients expect."

She is also training a fellow developer, teaching both the technology and the client's business that have enabled the teammate to quickly make valuable contributions.

"Maggie has earned the trust of everyone she works with," Couch added. "She takes ownership of outcomes and always delivers excellent work."

Twin Sun, LLC is a custom software development company founded in 2017 and based in Nashville, Tennessee. With a 100% U.S.-based team and no shareholders, Twin Sun's four equal partners work in the business daily, focusing on long-term client relationships. The company specializes in custom software development, technical leadership, and AI integration. Twin Sun maintains a 90%+ client retention rate and delivers 100% of its projects.
