

Cross County Cardiology – Mount Sinai's Dr. Fernando Segovia Earns NJ Top Doc Recognition For The 4th Year

NJ Top Docs has reviewed and approved Dr. Fernando Segovia of Cross County Cardiology - Mt. Sinai based on merit for 2026.

EDGEWATER, NJ, UNITED STATES, August 28, 2026 /EINPresswire.com/ -- Dr. Fernando Segovia, a highly regarded cardiologist at Cross County Cardiology – Mount Sinai, has once again been reviewed and approved by NJ Top Docs for 2026 based on merit, marking his fourth consecutive year of recognition. With more than 31 years of experience in cardiology and internal medicine, Dr. Segovia continues to be recognized for his extensive clinical expertise, patient-focused care, and longstanding commitment to cardiovascular health.

Triple board certified by the American Board of Internal Medicine in Cardiovascular Disease, Internal Medicine, and Interventional Cardiology, Dr. Segovia brings a comprehensive and highly specialized approach to patient care. His breadth of training allows him to diagnose and treat a wide range of cardiovascular conditions while delivering individualized treatment plans tailored to each patient's unique needs.

As a bilingual physician fluent in both English and Spanish, Dr. Segovia is able to foster strong communication with a diverse patient population. His ability to clearly explain complex diagnoses, procedures, and treatment options helps patients feel informed, supported, and empowered to make confident decisions about their health.

Now in his fourth year being named an NJ Top Doc, Dr. Segovia remains known not only for his clinical excellence but also for the compassionate, attentive care he provides. He takes time to thoroughly address patient concerns, ensuring individuals feel heard and actively involved in managing their cardiovascular wellness. His thoughtful approach reflects a philosophy centered on education, trust, and long-term health outcomes.

Dr. Fernando Segovia

It is an honor to be recognized by NJ Top Docs for the fourth consecutive year."

Dr. Segovia

"It is an honor to be recognized by NJ Top Docs for the fourth consecutive year. I am grateful to my patients for their trust and to the incredible team at Cross County Cardiology – Mount Sinai for their dedication to delivering exceptional care every day. Together, we remain committed to helping our community achieve better cardiovascular health." — Fernando Segovia, MD, FACC

In addition to his expertise in cardiology, Dr. Segovia is also recognized as a skilled vein specialist, focusing on the diagnosis and treatment of venous disease. Alongside his experienced team at Cross County Cardiology, he offers advanced, minimally invasive treatments including catheter-based thermal ablation and foam sclerotherapy to effectively treat symptoms such as leg pain, swelling, and chronic skin inflammation related to poor circulation.

Through compassionate care, advanced treatment techniques, and a personalized approach to medicine, Dr. Segovia has helped countless patients improve their vascular health and overall quality of life, further reinforcing why he continues to earn recognition year after year.
