

Snellings Injury Law Marks Nine Years of Serving North Texas Injury Victims

Award-winning North Texas personal injury firm marks nine years of results and community investment

FRISCO, TX, UNITED STATES, September 1, 2026 /EINPresswire.com/ -- Just weeks after [Scott Snellings](#) opened the doors to [Snellings Injury Law](#) nine years ago, he underwent a kidney transplant. What could have stopped most people could only sharpened his resolve to build a firm defined by a relentless drive to get results for clients and a genuine commitment to the communities it serves.

That story — equal parts grit and conviction — has come to define the firm he built. Today, Snellings Injury Law is celebrating its ninth anniversary as one of North Texas's leading personal injury practices, serving clients across Dallas, Collin, and Grayson Counties with offices in Frisco, Celina, and Sherman.

What began as a solo practice has grown into a full-service personal injury team handling car accidents, truck accidents, premises liability, wrongful death claims, and other serious injury matters throughout the Dallas-Fort Worth Metroplex and North Texas corridor. In 2026, the firm received its third consecutive Best Personal Injury Law Firm recognition from Living

Founder and Managing Attorney, Scott Snellings.

Our headquarters office located at 5750 Genesis Ct Suite 103 in Frisco, TX.

Magazine in both Frisco and Plano — a distinction that reflects the firm's sustained commitment to client outcomes, not just case volume. The firm was also voted Best Personal Injury Law Firm in Prosper and Celina.

"Nine years in, I am most proud of the culture we have built and the people who show up every day to carry it forward," Snellings said. "Every client who walks through our door is a real person going through one of the hardest stretches of their life — somebody's parent, spouse, child, or neighbor. We never lose sight of that."

GIVING BACK TO THE COMMUNITY

“

When you are building something you truly believe in, you do not wait for the timing to be perfect. You show up, you do the work, and you trust that the rest will follow.”

Scott Snellings, Founder & Managing Attorney

Snellings Injury Law also prioritizes giving back to the communities they serve. Over nine years, the firm has volunteered with local nonprofits, sponsored community events and schools throughout North Texas, and conducted outreach to help residents understand their legal rights — long before they ever need an attorney.
