

South Florida's Largest Home Design and Remodeling Expo Returns to Fort Lauderdale Sept 4–7 Headlined by Carson Kressley

Featuring home improvement brands, live design presentations, expert advice, culinary experiences, celebrity appearances at the Broward County Convention Center

FORT LAUDERDALE, FL, UNITED STATES, August 31, 2026 /EINPresswire.com/ -- The Home Design and Remodeling Show, South Florida's largest [home design and improvement expo](#) and a trusted resource for homeowners for more than 30 years, returns to the Broward County Convention Center September 4-7, 2026, for four days of home inspiration, innovation and expert access over Labor Day weekend.

CELEBRITY GUEST: CARSON KRESSLEY

This year's Fort Lauderdale show will be headlined by the Emmy-winning television personality, style expert and design star Carson Kressley, famously know for *Queer Eye*, *RuPaul's Drag Race*, *Get a Room with Carson & Thom* and *BBQ Brawl*.

With decades of experience in fashion, style and television, Kressley has expanded his signature design perspective into the home through projects including Bravo's *Get a Room with Carson & Tom*, where he and leading designers transformed spaces with an emphasis on color, personality and individual style, and anything but cookie-cutter finishes. He also partnered with Ballard Designs on an interiors and furniture collection entitled "The Thrill of the Hunt," based on his love for the equestrian and English country style.

Home Show attendees will have the opportunity to see Kressley live for design talks, audience Q&A and a meet-and-greet with fans.

A promotional graphic for Carson Kressley. On the right is a portrait of Carson Kressley, a man with short blonde hair and glasses, wearing a bright yellow-green cable-knit sweater. On the left is a dark vertical panel with white text. At the top, it says "MEET CARSON KRESSLEY" in a large, bold font. Below that, in smaller text, it says "BRINGING INSPIRATION, EXPERTISE & IDEAS TO THE MAIN STAGE". Further down is the "HOME DESIGN AND REMODELING SHOW" logo, which includes a small house icon. At the bottom of the dark panel is a yellow button with the text "GET TICKETS". Below the entire graphic is a caption: "Meet Carson Kressley, Emmy-winning television personality".

Don't miss Carson Kressley on the Home Design Stage:

Saturday, September 5 at 3:00 p.m.

Live design talk, Q&A and meet-and-greet.

Sunday, September 6 at 3:00 p.m.

Live design talk, Q&A and meet-and-greet.

LIVE LUXURY WALLPAPER INSTALLATION WITH HGTV FEATURED EXPERT KATIE HUNT

Wallpaper is back (although, truthfully, it never really left, and we're glad about it). But forget the peeling florals on Grandma's walls. Today's wallpaper has had quite the glow-up, with luxury textures, bold patterns, and elevated finishes taking over timeless interiors.

Katie Hunt of Katie's Wallpaper Installation, who has been seen on HGTV's Property Brothers and Holmes on Homes, will take the Home Design State Friday and Saturday to showcase the possibilities of today's luxury wallcovering.

Katie Hunt works with some of the world's finest wallcoverings in South Florida Homes and will bring the process to life with live wallpaper installation demonstrations on stage, followed by opportunities for attendees to learn more about materials, technique and the impact wallpaper can make on transforming a space.

Friday, September 4 | 3:00 p.m.

Wallpaper is the New Luxury: The Finishing Touch That Takes Design to the Next Level

Saturday, September 5 | 4:00 p.m.

Let's Explore Wallpaper: Take Your Home to the Next Level

BRING THE KIDS- KIDS WORKSHOPS BROUGHT TO YOU BY HOME DEPOT

Moms and dads, you'll be the hero when you bring your kids and they get to experience some fun builds and home decor designs of their own. Join sponsor Home Depot as they have their Kids Workshop setup for you and your kids to create a craft they can bring home.

Saturday, September 5 | 2:00-5:00 pm ONLY.

WHAT ATTENDEES WILL EXPERIENCE

The [Fort Lauderdale Home Design and Remodeling Show](#) turns Labor Day weekend into an opportunity for homeowners to shop, compare, learn and plan their next projects without

traveling from showroom to showroom.

Attendees can explore hundreds of local and national brands across kitchen and bath remodeling, cabinetry, countertops, outdoor kitchens, landscaping, smart home automation, security, newest energy-saving technology, impact windows and doors, roofing, furniture, lighting, decoration inspiration, the list and space this event spans is almost endless.

Most importantly, homeowners can experience products in person. Instead of relying on online photos, reviews and research, attendees can compare materials, speak directly with professionals, ask questions about their specific projects and quotes and suggestions on the spot.

A weekend at the Fort Lauderdale Home Design and Remodeling Show will also feature live culinary experiences, with local chefs, Chef Bhavesh and Chef Steve (Eataly) taking the stage. The Live Culinary Experience is sponsored by Thermador, Fuse Specialty Appliances, Lioher, and Lifetime Kitchen. This is your chance to see the latest kitchen products in action, gather fresh inspiration, and bring the kitchen renovation conversation to life, one delicious dish at a time.

Additionally, the Designer's Show House brings the event together where attendees can see how materials, textures, products and inspiration come together in one space. Come see the work of South Florida designers Perla Lichi of Perla Lichi Design, Elieser Duran of Studio Duran, and Anna Lucia Pena of Cataleia Spaces.

ABOUT THE HOME DESIGN AND REMODELING SHOW

For more than 30 years, the Home Design and Remodeling Show has brought South Florida homeowners together with leading professionals, products, and ideas across home design, renovation and improvement.

Powered by Home Show Management Cop., the Home Show hosts events across Fort Lauderdale, Miami and Palm Beach, creating opportunities for homeowners to meet professionals face-to-face, explore products in person and discover what's next for their homes.
