

Fineline Construction Relocates to New East Blvd Office in Charlotte

Expanded office provides an improved client experience, dedicated meeting space and room for continued growth

CHARLOTTE, NC, UNITED STATES, August 31, 2026 /EINPresswire.com/ -- Fineline Construction, a luxury [home remodeling contractor](#) serving the greater Charlotte and Lake Norman areas, relocated its Charlotte office on May 12, 2026. The company moved from its former location at 2820 Selwyn Avenue to a new office on East Blvd.

The new address is:

Fineline Construction
1409 East Blvd, Suite 2-D
Charlotte, NC 28203

The new location provides Fineline Construction with room for continued growth while creating a more comfortable and professional experience for clients. Dedicated meeting rooms give homeowners a convenient place to review plans, explore project selections and discuss the details of their renovations with the Fineline Construction team.

The expanded office also provides dedicated space for meetings with subcontractors, vendors and other project partners. These collaborative spaces will help the company coordinate project details efficiently and maintain the clear communication and careful planning that are essential to a successful remodeling experience.

Fineline Construction specializes in whole-home renovations, [home additions](#), kitchen and bathroom remodeling, basement finishing, screened porches, custom decks and other outdoor living projects. The company serves homeowners in Charlotte, Cornelius, Davidson, Denver, Huntersville and Mooresville, North Carolina, as well as Fort Mill, South Carolina.

The move marks an important step in Fineline Construction's continued growth and reinforces the company's commitment to providing homeowners with an organized, client-focused remodeling experience from initial planning through project completion.

About Fineline Construction
