

Dr. Kenneth Pettine Announces National Scholarship Opportunity Supporting Undergraduate Students with Disabilities

LOVELAND, CO, UNITED STATES, August 31, 2026 /

EINPresswire.com/ -- The [Dr. Kenneth Pettine](#) Scholarship for Disabilities announces a national scholarship opportunity for undergraduate students living with documented disabilities. The one-time scholarship is designed to recognize students who demonstrate academic commitment, perseverance, leadership, and a clear determination to achieve their educational and professional goals.

Open to eligible undergraduate students enrolled at accredited colleges and universities in the United States, the scholarship invites applicants to reflect on how disability has influenced their educational experiences, personal development, and future aspirations. The initiative reflects Dr. [Kenneth Pettine](#)'s longstanding commitment to improving quality of life and supporting individuals whose experiences can contribute to meaningful progress within their communities and chosen fields.

Scholarship Recognizes Perseverance, Leadership and Educational Achievement

The [Dr Kenneth Pettine](#) Scholarship for Disabilities is intended for students who demonstrate resilience while pursuing higher education. Applicants must be currently enrolled as undergraduate students at an accredited college or university, have a documented disability, and remain in good academic standing.

Applicants are also expected to demonstrate leadership, perseverance, and dedication to educational achievement. These criteria place emphasis not only on academic progress but also on the personal qualities that help students navigate challenges and continue working toward long-term objectives.

The application requires an original essay of 750 to 1,000 words responding to the topic: "How has living with a disability shaped your educational journey, personal growth, and future

aspirations? Discuss the challenges you have overcome, the lessons you have learned, and how your experiences have influenced the impact you hope to make in your chosen field or community.”

Through this essay, applicants have an opportunity to present their experiences, perspectives, accomplishments, and aspirations while demonstrating thoughtful consideration of the role those experiences play in their future plans.

One-Time Scholarship Supports Undergraduate Education

The Dr. Kenneth Pettine Scholarship for Disabilities provides a one-time award of \$1,000 to the selected recipient. The application deadline is March 15, 2027, and the scholarship recipient is scheduled to be announced on April 15, 2027.

The opportunity is not limited to students pursuing a particular academic discipline or career path. Instead, the scholarship focuses on undergraduate students whose educational journeys reflect determination and whose future goals demonstrate a desire to contribute positively to their chosen field or community.

Dr. Kenneth Pettine’s Commitment to Innovation and Quality of Life

Dr. Kenneth Pettine has built a professional career focused on medical science, orthopedic surgery, regenerative medicine, research, and healthcare innovation. As Founder and CEO of Paisley Laboratories and founder of several medical organizations, Dr. Kenneth Pettine has worked to advance treatments, research, and technologies intended to improve patient outcomes.

After graduating with honors from the University of Colorado School of Medicine, Dr. Kenneth Pettine completes orthopedic surgery residency training and earns a Master’s Degree in Orthopedic Biomechanics through the Mayo Graduate School of Medicine. His career includes participation as a principal investigator in FDA clinical trials, contributions to scientific literature, and the development of patented medical innovations.

The scholarship extends Dr. Kenneth Pettine’s interest in improving quality of life into the educational sphere by recognizing students who demonstrate perseverance in the face of disability and remain committed to academic and professional achievement.

Application Information

Eligible students must submit a complete application before the deadline. Required materials include full name, contact information, college or university name, current academic program and year of study, proof of undergraduate enrollment, an original essay response, and documentation verifying disability status when required.

Applications and supporting materials should be submitted by email to apply@drkennethpettinescholarship.com.

Only complete applications received before March 15, 2027 are considered for review. The selected recipient is announced on April 15, 2027.
