Mortgage Brokers. "Every borrower and property presents a different set of considerations. Our responsibility is to provide clear guidance, broaden the available financing options, and execute each transaction with urgency, transparency, and attention to detail."

Founded in 2017, Bennett Capital Partners works with a broad network of wholesale lending partners to help clients evaluate mortgage programs based on their financial profile, property, and objectives. As an independent mortgage brokerage, the company can assess programs from multiple lending sources instead of limiting a client to the products available through one institution.

The brokerage serves homebuyers, homeowners, self-employed borrowers, foreign nationals, and real estate investors. Its financing capabilities include conventional, FHA, VA, jumbo, bank statement, Non-QM, foreign national, condominium, non-warrantable condominium, construction, bridge, private lending, commercial, and multifamily programs.

Based on Brickell Avenue, Bennett Capital Partners operates as a [Miami mortgage broker](#) serving clients throughout Florida.
