Immersive South Carolina haunted attraction will be open select dates in October, including Halloween

BLACKSBURG, SC, UNITED STATES, September 2, 2026 /EINPresswire.com/ -- Open since 2011, Fear Farm SC is a Halloween seasonal event known for authentic thrills at a family friendly price. The Blacksburg SC haunt is ready to welcome back loyal fans, and to draw thrill-seekers from the local area, to Charlotte, to Greenville, and beyond.

The haunt will offer 12 nights for the Halloween season, with six attractions on site. With admission being $30 per person, there are specially priced offerings customers can enjoy. On October 2nd and 9th, groups of 4 people will only pay for 3 tickets. The haunt also has special rates for groups of 13 people or more. Parking is free and the haunt also touts special items for customers, such as video phone passes. The goal is to allow fans to document their experience to share with their followers, while preserving the experience without screens for other fans who will also be going through the same attractions.

There is also the brand new Club 13, an exclusive VIP lounge, child-priced tickets, and discounts for purchasing online ahead of time. There is also a “Scaredy Cat Medallion” that lights up to

“make monsters scared of the wearer.” The goal from the haunt owners was to help parties with children ease their way into haunted attractions, or help prevent the scared friend or family member in the group from making everyone have to end the night early.

Online tickets are available here https://scfearfarm.fearticket.com/book/ticket Staff at Fear Farm SC advise that guests wear closed toe shoes, dress for the outdoors, and that children under the age of 12 may find this attraction too scary.

Fans who have concerns about accessibility, mobility, flashing lights, and sudden loud noises will want to contact the haunt about accessibility policies, liabilities and accommodations before purchasing tickets.

Please do not visit Fear Farm SC if you have been exposed to COVID-19 or are having any COVID-19 symptoms, as well as any cold or flu symptoms. Guests who harass or touch our scare actors, or knowingly cause harm to other guests while visiting, will be trespassed from our event.
