

EarthKosher Welcomes Pantaleon Commodities Corp. as New Client, Supporting Expansion into USA Market

Global sugar producer achieves kosher certification for its new California facility with EarthKosher's efficient, hands-on approach

BOULDER, CO, UNITED STATES, August 30, 2026 /EINPresswire.com/ -- EarthKosher [Kosher Certification](#) Agency, a leading Orthodox kosher certification agency specializing in natural and organic products, today announced that Pantaleon Commodities Corp., a major international sugar producer, has partnered with EarthKosher to obtain kosher certification for its new liquid sugar production facility in Stockton, California.

Pantaleon is a global commodities company with sugar operations across Central and South America, and the new California facility marks an important step in the company's continued growth and expansion into the United States market. As Pantaleon worked to bring this new operation online, the company turned to EarthKosher to ensure the facility could meet the highest kosher standards from day one.

EarthKosher's team worked closely with Pantaleon to move quickly and efficiently through the certification process, conducting a thorough on-site inspection of the new facility and providing clear guidance every step of the way. This collaborative, responsive approach allowed Pantaleon to keep pace with its production timeline while gaining the confidence that comes with a trusted kosher certification.

"Our goal is always to make the certification process as smooth and efficient as possible for our clients, without ever compromising on the integrity of our standards," said Rabbi Yehuda Goldman, CEO of EarthKosher. "Pantaleon is a great example of a growing international company that needed a certification partner who could move at the speed of their business, and we're proud to support them as they expand into the U.S. market."

The partnership reflects EarthKosher's broader mission of helping companies of all sizes, from emerging brands to global manufacturers, bring kosher-certified products to market efficiently and reliably.
