

KHOONTA Takes Center Stage in Mumbai with Grand Official Trailer Launch

Award-Winning Film KHOONTA Celebrates Grand Trailer Launch on August 28; Set for Theatrical Release on September 18, 2026

MUMBAI, MAHARASHTRA, INDIA, August 30, 2026 /EINPresswire.com/ -- The much-awaited Official Trailer of the award-winning Hindi feature film KHOONTA was unveiled in Mumbai on August 28, 2026, at a special event attended by stars, celebrities, members of the film fraternity, special guests, media representatives, and the KHOONTA cast and team.

Before the official trailer launch, the KHOONTA team organized a special Bhandara to mark the occasion, where more than 1,000 people were served food as prasadam. The initiative brought together people from different walks of life and gave a meaningful and auspicious beginning to this important milestone in the film's journey.

Following the Bhandara, the KHOONTA Official Trailer was formally unveiled in Mumbai amid excitement and celebration.

The evening was emceed by actress and former Miss India Simran Ahuja, who brought energy and elegance to the event while introducing the film's team and distinguished guests.

KHOONTA is produced by international filmmaker Mukesh Modi and written and directed by Anushi Sharma. Together with the cast and creative team, they presented the official trailer and shared the inspiration, journey and message behind the film.

Producer Mukesh Modi expressed his appreciation to everyone who participated in the celebration and supported the film's journey:

"The release of the KHOONTA Official Trailer is a very special moment for our entire team. Before celebrating this milestone, we wanted to begin by serving the community and sharing prasadam. Seeing more than 1,000 people come together made the occasion even more meaningful. We are grateful to everyone who has supported KHOONTA throughout this journey."

FROM CANNES TO MUMBAI — KHOONTA'S JOURNEY CONTINUES

Inspired by true events from the Himalayan region, KHOONTA brings together human emotion, cultural identity and a powerful message about the relationship between people and nature. At the heart of the film is an important contemporary question: Can development truly be called progress when it disconnects us from nature, culture and our roots?

The film has already built an impressive international journey. KHOONTA had its Market Premiere at the Cannes Film Market in May 2026, received the Best Foreign Feature Film Award at the London Independent Film Awards, and was honored with the Best Indian Feature Film Award at the Indian Movie Awards in Kolkata.

Writer and Director Anushi Sharma brings the story to the screen against the breathtaking Himalayan landscape, combining cultural authenticity, powerful emotions and an important message about protecting the relationship between humanity and nature.

The Mumbai trailer launch marks another major milestone as KHOONTA now prepares to reach audiences on the big screen.
