

Captain Troy Wetzel & Louisiana Offshore Fishing Charters Launch Turnkey Corporate Fishing Packages in Venice, Louisiana

All-inclusive retreats combine trophy yellowfin tuna fishing, lodge accommodations, and full event support in Venice, LA.

VENICE, LA, UNITED STATES, August 31, 2026 /EINPresswire.com/ -- New corporate offerings bring seamless multi-boat coordination, on-site lodging, and executive-level client entertainment to the "Tuna Capital of the World."

[Captain Troy](#) Wetzel and [Louisiana Offshore Fishing Charters](#) today announced the launch of custom [Corporate Fishing Charters](#), designed to give companies, executive teams, and sales divisions a high-impact, turnkey alternative to traditional corporate retreats and golf outings. Located in Venice, Louisiana—just a short drive from New Orleans—the new corporate program streamlines large-group booking by offering multi-boat fleet coordination, on-site Venice lodging, catered meals, and single-invoice billing.

With over 30 years of record-setting big-game fishing experience in the Gulf of America, Captain Wetzel is bringing his signature level of precision and hospitality to corporate client entertainment, executive strategy retreats, team-building excursions, and incentive rewards.

"Six hours on the water builds more trust than six months of business lunches or board room presentations," said Captain Troy Wetzel, Founder and Operator of Louisiana Offshore Fishing Charters. "We're taking the meeting offshore. Whether a company wants to lock in a multi-million dollar client, reward a sales crew that smashed their quota, or give an executive board an unforgettable strategic retreat, we make it completely effortless. We handle the boats, gear, bait,

lodging, and catering—the team just shows up and fishes."

Key Features of the Corporate Charter Program:

Multi-Boat Fleet Coordination: For groups ranging from 8 to over 30 anglers, the outfitter coordinates multiple custom-built offshore sportfishing vessels and inshore bay boats simultaneously. Fleet boats run side-by-side, allowing entire departments or conference groups to fish the same day and meet back at the dock together.

Turnkey All-Inclusive Packages: A single point of contact provides streamlined single-invoice billing covering boats, fuel, licenses, top-tier Shimano tackle, bait, fish filleting, dockside cookouts, and local Venice lodging steps from the marina.

Flexible Charter Options: Corporate clients can choose between adrenaline-fueled Offshore Day or Overnight Trips (targeting Yellowfin Tuna, Wahoo, Swordfish, and Red Snapper around deep-water oil platforms) or calm-water Inshore Marsh Trips (targeting trophy Bull Redfish and Speckled Trout), ideal for novice anglers.

Custom Corporate Experiences: Tailored trip formats include Client Entertainment, Executive Board Retreats (pairing morning fishing with afternoon strategy sessions at the lodge), Sales Quota Incentives, and Multi-Boat Company Tournaments featuring dockside awards and fresh-catch dinners.

The corporate charters cater to key industries heavily active throughout the Gulf Coast and nationwide, including Oil & Gas, Commercial Construction, Marine & Offshore Services, Financial Services, Real Estate, and Medical Sales.

Corporate dates for fall and upcoming quarterly retreats are now open, with midweek (Sunday–Wednesday) availability optimized for corporate scheduling.
