

Accelevents Earns Record 48 Badges in G2's Fall 2026 Event Management Platform Reports

G2 Badges for implementation, usability, and support define the Fall 2026 Result

BOSTON, MA, UNITED STATES, September 1, 2026 /EINPresswire.com/ -- Accelevents, one of the fastest-growing event management platforms, today announced that it earned 48 badges in G2's

Fall 2026 reports, the most the company has received in a single reporting period.

Internally, we're constantly talking about how to create a tech experience that's easy to use with human support from people who get events. These badges represent the value we deliver to customers."

Jonathan Kazarian, CEO & Founder

The recognition includes Fastest Implementation, Easiest Admin, Best Estimated ROI, and Best Support, highlighting how quickly event teams can get up and running, manage the platform, and begin seeing value.

Accelevents also maintained its Momentum Leader position in the [G2 Grid® for Event Management Platforms](#). Highlights from the Fall 2026 reports include:

- Fastest Implementation
- Easiest Admin
- Highest User Adoption
- Best Estimated ROI
- Best Support in the Enterprise Relationship Index
- Leader in the Grid® Report for Event Management Platforms
- Easiest To Do Business With in the Enterprise Relationship Index

The recognition reflects the experience Accelevents is designed to deliver: faster implementation, less administrative complexity, strong adoption, and responsive support throughout the customer experience.

"Internally, we're constantly talking about how to create a tech experience that's easy to use with human support from people who get events," said Jonathan Kazarian, Founder & CEO of

Accelevents. “These badges are recognition of the experience we work to deliver to customers every day.”

Accelevents’ commitment to serving mid-market and enterprise event teams through both its technology and customer experience is reinforced by the recognition in the Enterprise Relationship Index, including Best Support and Easiest To Do Business With.

What Accelevents customers are saying speaks for itself. Here’s how event professionals have described their experience on G2:

“I like that Accelevents is an all-in-one solution, letting us manage registration, marketing, and event content like speakers, sponsors, and exhibitors all in one place. Their support team is very responsive. They go out of their way to understand our questions or issues.”

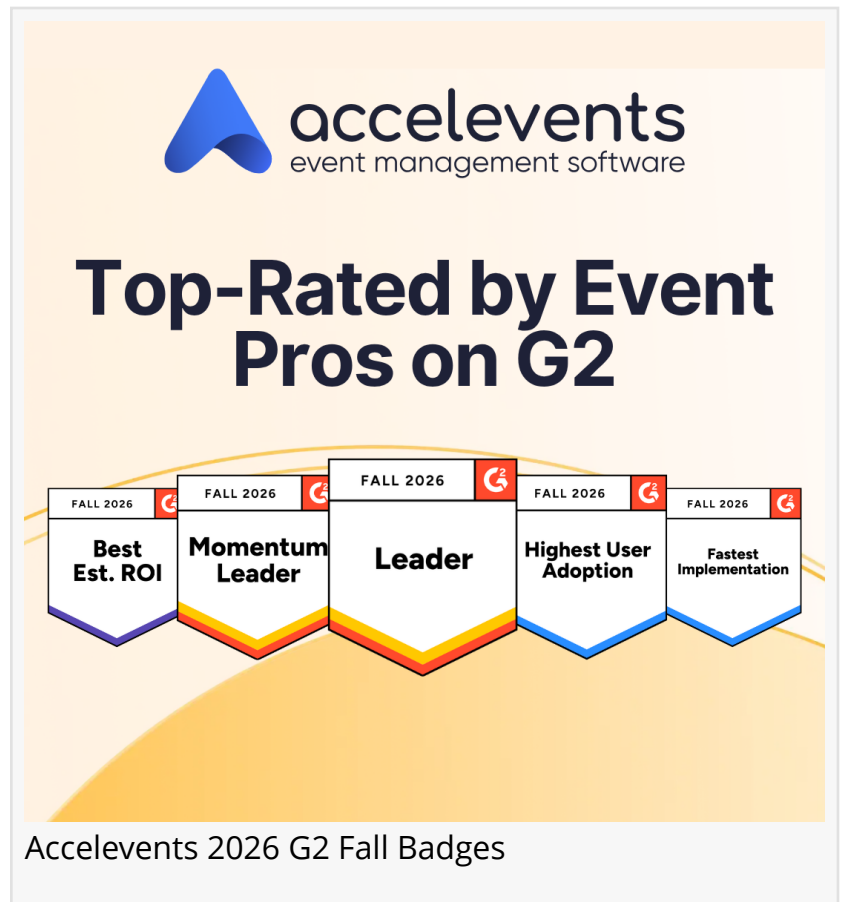

“I appreciate Accelevents for its ease of use and customer service. The navigation is intuitive, allowing multiple admins to work seamlessly and collaboratively. When I needed assistance, their customer service team responded very promptly and professionally, providing screenshots and instructions that guided me exactly where I needed to go. The initial setup of Accelevents was very easy for us.”

“Earning a Leader position in a G2 Report is highly competitive and rooted in verified customer reviews,” said Godard Abel, co-founder and CEO, G2. “Congratulations to Accelevents for achieving this distinction. Buyers can be confident this ranking reflects the authentic experiences of real users.”

The Grid® represents the democratic voice of real software users, rather than the subjective opinion of one analyst. G2 rates products from the Event Management Technology category algorithmically based on data sourced from product reviews shared by G2 users and data aggregated from online sources and social networks.

The full set of Fall 2026 badges is available on the [Accelevents G2 profile](#).

About Accelevents

Accelevents is a modern, enterprise-ready event management platform built for organizations that need flexibility, speed, and reliability across every phase of the event lifecycle. The platform supports in-person, virtual, and hybrid events, combining robust registration tools, real-time badge printing, mobile event apps, and content management in one easy-to-use solution.

Event teams at fast-growing startups and global enterprises trust Accelevents to run conferences, trade shows, field marketing events, employee summits, and user groups. From registration and access control to mobile engagement and sponsor ROI, Accelevents centralizes your event tech stack and reduces vendor overhead. To learn more, visit www.accelevents.com.
