

Store Displays® Honors the American Worker with a Sitewide Labor Day Sale

The New Jersey-based retail fixture company is offering 7% off sitewide for Labor Day in appreciation of the store owners and independent retailers.

MOONACHIE, NJ, UNITED STATES,
September 1, 2026 /EINPresswire.com/

-- As the nation pauses to recognize the contributions of the American workforce, [Store Displays®](#), a leading online retailer of [retail displays](#), gondola shelving, showcases, and merchandising solutions, is marking

the holiday with a week-long sitewide sale. From September 1 through September 7, 2026, customers can take 7% off their order using promo code LABOR267 while inventory lasts.

“

Labor Day is about recognizing the people who show up and do the work, and in retail, that is the independent store owner more than anyone. This is our way of giving back to our wonderful customers.”

*July Lim, Head of Digital at
Store Displays®*

Labor Day holds particular meaning for Store Displays®, a company that works directly with independent store owners, boutique operators, and retail entrepreneurs every day of the year. These are the business owners who staff their own floors, manage their own inventory, and make thousands of decisions a week to keep their stores running.

"Labor Day is about recognizing the people who show up and do the work, and in retail, that is the independent store owner more than anyone," said July Lim, Head of Digital at Store Displays®. "This sale is our way of giving back to our wonderful customers, recognizing their hard

work, and showing our appreciation.”

The timing is also practical as September marks the start of the most critical stretch of the retail calendar. Back-to-school season is winding down and the window to prepare for Q4, Halloween, the holiday rush, and end-of-year promotions is beginning. Retailers who use the Labor Day

weekend to invest in new retail displays will enter the holiday season with a stronger foundation than those who wait.

"We want retailers to enter Q4 feeling ready," Lim added. "If there are fixtures they have been putting off, or a display refresh they have been planning, this is the week to move on it."

The 7% discount applies sitewide with promo code LABOR267, available while inventory lasts. From [retail gondola shelving](#) and gridwall panels to mannequins for sale and commercial glass display cabinets, the full Store Displays® catalog is included at the discounted price, with the exception of already-reduced items.

Store Displays® ships from its Moonachie, New Jersey warehouse, with same-day shipping available on thousands of in-stock items for orders placed before 2 PM ET. Local pickup is also available. The company serves retailers across a wide range of industries including apparel boutiques, grocery and convenience stores, vape and smoke shops, beauty supply retailers, pop-up shops, specialty gift stores, and more.

The Labor Day Sale runs September 1 through September 7, 2026, at StoreDisplays.com. Use promo code LABOR267 at checkout.
