

CrispyBull Awards 2026 Extends Nominations Through October 31 as Eight Winners Are Already Recognized

Eight companies have been recognized in the CrispyBull Awards 2026 as nominations remain open until October 31 for the remaining categories.

SOFIA, BULGARIA, August 31, 2026 /EINPresswire.com/ -- Eight companies have now been recognized in the [CrispyBull Awards 2026](#), as the annual awards program names standout organizations across cryptocurrency, online trading and digital finance.

The winners announced so far span both global and regional categories, reflecting the diversity of today's digital asset industry and the different ways companies create value for their customers.

The current winners are:

Best Crypto Exchange — Kraken
Best Crypto Broker — Interactive Brokers
Best Online Broker — Swissquote
Best Multi-Asset Trading Platform — eToro
Best CFD Broker — XBO.com

CrispyBull Awards 2026

Regional Winners

Best Crypto Exchange LATAM — Bitso
Best Customer Service North America — Coinbase
Innovation in Digital Finance North America — Circle

Each winner was selected by the CrispyBull editorial team using criteria that include product quality, customer experience, innovation, regulatory standing and sustained market performance. The awards recognize companies that continue delivering meaningful value to users instead of rewarding short-lived success.

The CrispyBull Awards cover global and regional categories to recognize both internationally established brands and companies that have become market leaders within specific regions. Additional winners will be announced as judging continues across the remaining categories.

“

The strongest companies aren't defined by short-term success. These awards recognize organizations that set the standard through innovation and long-term commitment to their users.”

*Yoram Azrak, Founder of
CrispyBull*

Following continued interest from across the industry, CrispyBull has extended the nomination period until October 31, 2026, giving additional organizations the opportunity to be considered before the remaining awards are announced. Companies, projects and service providers operating in cryptocurrency, blockchain, fintech and online trading are encouraged to submit nominations through the official awards website.
