

Rare Las Vegas-Area, Nevada Ranch & Mountain Oasis Exclusively Offered via Concierge Auctions' Private Auction Platform

Reserved for premier properties, the once-in-lifetime retreat is presented with The Agency to qualified buyers by confidential invitation

NEW YORK, NY, UNITED STATES, August 31, 2026 /EINPresswire.com/ -- [Concierge Auctions](#) announced today that a [once-in-a-lifetime ranch and mountain oasis](#) in the Las Vegas area will be offered through the firm's exclusive, invitation-only Private Auction platform in cooperation with listing agent Zar Zanganeh of The Agency.

The property presents a rare opportunity to acquire one of the region's most private and distinctive retreats. Qualified buyers will be invited to participate through a confidential bidding process.

Bidding is scheduled to open on 16 October and will culminate on 22 October through the firm's online marketplace, [conciergeauctions.com](#). The property will sell to the highest bidder.

Located approximately 50 miles from the heart of the Las Vegas Strip—yet seemingly a million miles away—the expansive property offers a dramatic mountain setting, valuable water resources, exceptional privacy, and remarkable flexibility for development and a wide range of potential uses. Mature landscaping, natural surroundings, and water features create a lush oasis rarely associated with the surrounding desert landscape.

"The opportunity to work with Concierge Auctions on this extraordinary offering brings together two distinct strengths," said Zanganeh. "Their qualified global network, combined with my intimate knowledge of the Las Vegas market, creates a powerful combination. Together, we can introduce this remarkable property to the right buyers worldwide while preserving the discretion

and exclusivity it deserves.”

The launch follows the successful Private Auction sale of a premier Hamptons estate that had never been publicly listed or marketed. Strong buyer interest in that offering demonstrated demand for a more discreet way to acquire and sell exceptional properties while preserving the competition and time certainty of an auction.

“Our successful Hamptons sale validated the demand for a platform that combines exclusivity with true market competition,” said Chad Roffers, CEO and Co-Founder of Concierge Auctions. “The Las Vegas-area offering builds on that momentum and exemplifies the type of rare, irreplaceable property our Private Auction platform was created to serve—one where discretion is as important as the asset itself. With extraordinary scale, privacy, natural beauty, and potential, all within reach of Las Vegas, this remarkable Nevada retreat will be presented to a select group of qualified buyers, protecting its confidentiality while creating a competitive global marketplace to identify the highest bidder.”

Concierge Auctions created its Private Auction platform for sellers seeking market-driven pricing and a defined sale date without broadly disclosing property details, pricing, terms, or transaction information. Rather than relying on sequential private negotiations, the platform brings qualified buyers together to compete simultaneously for premier properties.

The platform provides direct access to Concierge Auctions’ Private Client Group, including more than 16,000 past clients and a network of more than 250 billionaires, founders, family offices, executives, and other qualified participants. Buyers receive access to exceptional properties that have not been publicly listed or marketed, while sellers benefit from global competition, heightened discretion, and time certainty. Private Auction remains fully inclusive of the brokerage community.

The platform connects sellers with Concierge Auctions’ Private Client Group, representing more than 16,000 past clients worldwide including founders, family offices, executives, and other high-net-worth individuals. This invitation-only format allows qualified buyers to privately evaluate exceptional opportunities while enabling sellers to benefit from global competition and a defined sale date.
