The President of IAOTP, Stephanie Cirami, stated, "We are honored to have Danelle as part of the IAOTP family. She provides visionary leadership as a female entrepreneur, and her extraordinary accomplishments prove she will empower women worldwide. We look forward to celebrating all her merits at the Annual Awards Gala and cannot wait to see more amazing things from this woman."

With nearly two decades of experience in the industry, Ms. Danelle Delgado has established herself as a dynamic, results-driven leader, entrepreneur, speaker, and business strategist. Known for her ability to inspire meaningful transformation, Ms. Delgado has made a lasting impact on organizations, CEOs, entrepreneurs, and individuals around the world.

Her journey to success began while raising her three young children as a single mother. Determined to create a better future for her family, she worked three jobs, often putting in 80 to 90 hours a week while struggling to make ends meet. Refusing to allow circumstances to define her future, Ms. Delgado persevered and sought opportunities to learn from some of the world's most respected business experts, ultimately gaining several of them as personal mentors.

Through years of intensive learning, mentorship, and hands-on experience, Ms. Delgado went on to build some of the fastest-growing online business training companies. Today, she is a recognized international speaker, online influencer, bestselling author of I Choose Joy, and sought-after mentor whose expertise in entrepreneurship, leadership, sales, business strategy, and human performance has helped countless individuals and organizations achieve greater success and fulfillment.

From elite retreats and online training platforms to corporate programs and live events, Ms. Delgado has developed a reputation for combining education, entertainment, and excellence. Her engaging approach, business acumen, and ability to connect with audiences have positioned her as a leading voice in the fields of entrepreneurship, leadership, and high performance.

Her two most recent company ventures have further expanded her influence. Through one, she transformed corporate training for service-based organizations—including companies in automotive, insurance, medical, real estate, and finance—by delivering innovative, engaging training programs designed to elevate performance and strengthen teams. Through her health insurance company, she has focused on improving human productivity while helping businesses reduce costs and provide employees with greater access to quality, affordable healthcare.

Ms. Delgado's areas of expertise include public speaking, writing, business development, sales, business strategy, team building, publishing, presenting, mentorship, and monetization. Her work is driven by a passion for helping people recognize their potential and turn that potential into meaningful results.
Before embarking on her career path, Ms. Delgado earned her Bachelor of Science degree from the University of Northern Colorado, where she worked full-time for the College of Business while pursuing her education. Her early commitment to learning and professional development

laid the foundation for the entrepreneurial career that followed.

Throughout her illustrious career, Ms. Delgado has received numerous awards, accolades, and international recognition for her accomplishments and contributions. This year, she will be considered for a feature in TIP (Top Industry Professionals) Magazine. She will also be honored at the International Association of Top Professionals (IAOTP) Annual Awards Gala, taking place in December at the iconic Plaza Hotel in New York City, where she will be recognized as Top International Speaker of the Year for 2026 and Empowered Woman of the Year.

Looking back, Ms. Delgado attributes her success to perseverance, an unwavering work ethic, continuous learning, and the mentors who helped guide her along the way. Outside of her professional endeavors, she enjoys spending time with her three children and traveling the globe. Looking ahead, she plans to continue expanding her businesses while staying committed to her greater mission: empowering people to reach their highest potential and use their success to make a difference in the lives of others.

“All I wanted to do was make a difference, help people earn who would give right back,” she said.
