

Bayside Queens Dental Practice Voted Best of the Boro

Restorative and Implant Dentistry of Bayside has again been named Best Cosmetic Dentistry in the Queens borough of New York.

BAYSIDE, NY, UNITED STATES, September 1, 2026 /EINPresswire.com/ -- Restorative and Implant Dentistry of Bayside, led by [board-certified prosthodontist](#) Sameet Sheth, DDS, has been named Best Cosmetic Dentistry in Queens as part of the 2026 Best of the Boro® awards. The annual program, sponsored by FourLeaf (formerly Bethpage Federal Credit Union), recognizes local businesses across the borough that residents nominate and vote for directly, making it one of the more community-driven distinctions a Queens business can receive.

Each year, hundreds of businesses are nominated for Best of the Boro® honors, and thousands of Queens residents cast votes to determine the winners across dozens of categories. The program's goal is straightforward: highlight the businesses that the community itself considers the best, based on firsthand experience rather than outside judging panels. For Dr. Sheth's practice, this year's recognition adds to a track record with the program, having also received Best of the Boro® honors in 2019, 2021, and 2022.

"Being recognized by the people we actually serve means more than any other kind of award," said Dr. Sheth. "Our patients vote based on their real experience in the chair, not a marketing campaign, so this reflects the work our whole team puts in every day." He added, "Dentistry, especially [cosmetic treatments](#) and restorative dental procedures, is built on trust, and it's rewarding to see that trust reflected in how our community responds year after year."

About Sameet Sheth, DDS

Dr. Sameet S. Sheth received his DDS degree from New York University College of Dentistry, graduating at the top of his class and earning induction into the Omicron Kappa Upsilon honor society. He went on to complete a certificate in prosthodontics at NYU, followed by a Fellowship

in Maxillofacial Prosthetics at Memorial Sloan Kettering Cancer Center, and a final Surgical Fellowship in Implant Dentistry at NYU. His academic achievements include the Kenneth I. Adisman Award for Excellence in Prosthodontics, and he currently serves as a Clinical Assistant Professor at NYU in the Department of Prosthodontics. At Restorative and Implant Dentistry of Bayside, Dr. Sheth offers a wide range of procedures, including [dental implants](#), crowns, porcelain veneers, and more, to help patients achieve healthier smiles. He is a member of the American College of Prosthodontists, a Diplomate of the American Board of Prosthodontists, and Fellow of the Greater New York Academy of Prosthodontics. Dr. Sheth is available for interview upon request.
