

Fenix Lighting Offers 20% Sitewide Discount for Labor Day Weekend

*Fenix Lighting is offering 20% off sitewide from September 5-7 with code **LABORDAY20**—great savings on flashlights, headlamps, lanterns, bike lights, and more.*

LITTLETON, CO, UNITED STATES, August 31, 2026 /EINPresswire.com/ -- [Fenix Lighting](#), the official U.S. distributor of Fenix products, announces a Labor Day weekend sale with 20% off all products sitewide from Saturday, September 5 through Monday, September 7, 2026 at [fenixlighting.com](#). Customers can apply code **LABORDAY20** at checkout to receive the discount on any order placed during the sale window.

The Labor Day Sale covers the full Fenix product lineup, including [flashlights](#), [headlamps](#), lanterns, bike lights, and accessories (that's everything they make). Whether customers are looking for a compact everyday carry flashlight, a high-output work light, a rechargeable headlamp for outdoor adventures, or a complete bike lighting setup, all categories are available at 20% off.

Fenix has released a number of new products throughout 2026, and the Labor Day Sale offers customers a great opportunity to add recently launched lights to their gear at a reduced price. Recent additions to the Fenix lineup include:

The SW06R Clip On Flashlight: a professional-grade, hands-free, clip on light with a 200 degree adjustable head and three distinct light sources, including white light, a multi-color LED for signaling, and a UV light.

The LD31 RENEGADE® Flashlight: Fenix's brightest EDC flashlight, delivers 3200 lumens in a build

Fenix Lighting Labor Day Sale

less than 5" long with Instant Turbo, manual lockout, and a 6000mAh battery.

The HM65R V2.0 Rechargeable Headlamp: an upgrade to one of Fenix's best-selling headlamps, delivers a combined 2200 lumens from an independently controlled spotlight and floodlight with the brightest Red light in our headlamp lineup.

The HM61R V3.0 Rechargeable Headlamp: max 1800 lumens with spotlight, floodlight, and red lighting modes in an updated build that lets you use the headlamp as a right-angle flashlight.

The LR50R V2.0 Flashlight: perfect for search and rescue, this extremely bright flashlight can blast up to 18000 lumens and includes stepless brightness control, an OLED display, and a 32000mAh battery with power bank capability.

The BC45R Rechargeable Bike Light: Fenix's brightest bike light at 3300 lumens, with independently controlled Spotlight and Floodlight and an included wireless remote switch.

The sale runs from September 5 through September 7, 2026. Customers must use code LABORDAY20 at checkout to receive 20% off their order, plus free shipping on orders over \$25.

The Labor Day Sale is available at fenixlighting.com

About Fenix Lighting

Fenix Lighting is the official US distributor of Fenix products. Fenix has earned its reputation for manufacturing some of the best high-performance lights on the market through its proven track record of innovative design and a focus on durable construction. While flashlights are their core product, Fenix's headlamps, lanterns, and bike lights are also highly rated and well-constructed. With regular improvements to existing lights and a steady stream of new products, expect only the most high-performing, user-friendly, and brightest lights from Fenix Lighting.
