Stanley L. Friedman announces that founding attorney Stanley L. Friedman has been selected to the 2027 Southern California Super Lawyers list and recognized in the 2027 edition of The Best Lawyers in America® for Criminal Defense: White-Collar. Friedman was also recognized by Los Angeles Magazine, Best of LA, Legal 2026 in the category of Criminal Defense.

These honors continue Friedman's longstanding record of professional recognition. Super Lawyers has recognized him every year since 2012, and Best Lawyers since 2016. His 2026 recognition by Los Angeles Magazine adds another recent distinction focused specifically on his criminal defense practice.

Super Lawyers states that no more than 5% of attorneys in Southern California receive its distinction. Best Lawyers similarly reports that approximately 5% of practicing attorneys earn recognition each year and describes its selection process as based on peer review.

“I am honored to once again receive recognition from Super Lawyers and Best Lawyers and to be included in Los Angeles Magazine's Best of LA,” Friedman said. “For more than three decades, our firm has represented healthcare professionals, business owners, executives, and individuals facing serious federal and state investigations and prosecutions. I am grateful for the continued recognition of that work.”

Friedman is a former federal prosecutor and longtime criminal defense attorney whose practice focuses on complex white-collar criminal matters, including healthcare fraud, financial fraud, public corruption, regulatory enforcement, and related federal and state investigations.

Since founding the Law Offices of Stanley L. Friedman in 1995, Friedman has represented clients in matters involving allegations of losses reaching into the millions, tens of millions, and hundreds of millions of dollars. His experience includes grand jury proceedings, search warrants, asset forfeiture matters, parallel civil and criminal investigations, trials, and appeals.

Friedman is Board Certified in Criminal Law by the State Bar of California Board of Legal Specialization. His cases have included significant healthcare and financial fraud litigation in federal and state courts, including matters that have resulted in published appellate decisions.

The 2026 and 2027 recognitions add to a record of professional honors, including an AV Preeminent® rating from Martindale-Hubbell since 2006, The National Trial Lawyers, Top 100 Criminal Defense Trial Lawyers since 2013, and recognition by other organizations focused on criminal defense, trial advocacy, and healthcare law.
