

HopeWay Group LLC Health Announces Rebrand to Hope Union Counseling

BEL AIR, MD, UNITED STATES,
September 1, 2026 /EINPresswire.com/
-- Dear Clients and Community
Partners,

HopeWay Group LLC is becoming Hope Union Counseling to better reflect who we are and where we are headed. The word "Union" represents the meaningful connections we share with our clients, families, community partners, churches, schools, and other organizations. It also positions us for continued growth while staying rooted in our mission of providing compassionate, Christ-centered mental health care.

**Connected in Hope.
United in Healing.**

Our services are not changing. Hope Union Counseling will continue offering the same professional, [evidence-based counseling](#) for children, teens, adults, couples, and families, provided by the same trusted team, as well as providing specialized [education and training opportunities](#) in our communities.

For current clients, there is nothing you need to do. Your counselor, appointments, care, and support will remain the same. Only our name and visual identity are changing as we move forward together as Hope Union Counseling.

With gratitude,

The Hope Union Counseling Team
