

C.C. Lacavera's 'What Will You Be When You Grow Up?' Named Sept Book of the Month by OnlineBookClub CEO Scott Hughes

MANCHESTER, CT, UNITED STATES,
September 1, 2026 /EINPresswire.com/

-- The question "What Will You Be When You Grow Up?" has been asked by generations of parents, teachers, and relatives. In her newest children's book, 'What Will You Be When You Grow Up?', the author C.C. Lacavera refashions that commonly asked question with playful rhymes and invites children to dream limitlessly. It has been selected as [Online Book Club's](#) Book of the Month in recognition of its encouraging and positive message.

Written for children between the ages of 3 and 8, 'What Will You Be When You Grow Up?' creatively utilizes rhyming verses and vibrant illustrations to present children with a wide range of career options. It inspires young readers to look inward, identify their individual aptitudes, and have the courage to visualize successful careers suited to their skills and interests.

This book offers accessible pathways at a time when children are beginning to uncover what inspires them and imagine future careers. The colorful artwork and rhythmic language make it an ideal and engaging read for beginners and older readers.

Designed to fit naturally into different settings, this book is perfect for classrooms or even for story time at home. Teachers and educators can use it as a conversation starter, and parents can make it a fun read-aloud session for their little ones. At the same time, older children can explore which of the career options presented in the book appeals to them the most.

At the heart of Lacavera's message is a simple idea: "to inspire and motivate readers to reach for the stars and achieve any future goal." By offering an array of career opportunities through a blend of rhymes and illustrations, 'What Will You Be When You Grow Up?' intends to nurture curiosity, confidence, and the courage to pursue what inspires them.

[OnlineBookClub](#)'s Book of the Month recognition celebrates the book's optimistic message and its appeal as an empowering tool for families, classrooms, and programs serving young children. Its encouraging message makes it an ideal choice for adults looking for ways to initiate discussions with children about their passions and ambitions.

About the Author

C.C. Lacavera is a senior technology executive whose professional experience has shaped her storytelling skills. She was previously the Vice President of Global Litigation at Google and now works as an advisor, board member, and investor to technology startups.

With degrees in law, business and computer engineering, Lacavera brings an unusual combination of her experience in these fields to her writing. She has been recognized as one of Fortune's Top 40 Under 40 and has also received an Honorary Doctor of Laws from the University of Toronto.

Her storytelling draws on years of experience using open-ended questions and active listening in the courtroom. Lacavera applies the same techniques used by famous trial lawyers to her most important job of being a mother.
