FL, UNITED STATES — Patrick “Pat” Wilkins, Broker Associate with RE/MAX Alliance Group, is celebrating 30 years with RE/MAX—an achievement that reflects decades of client relationships, market expertise and an enduring commitment to Southwest Florida real estate.

“Thirty years with RE/MAX represents far more than an anniversary,” said Wilkins. “It reflects the trust of clients, the strength of long-standing relationships and the discipline to keep showing up at a high level in every market.”

In a letter dated August 10, 2026, RE/MAX Holdings

President and CEO Erik Carlson congratulated Wilkins on reaching the milestone and recognized his three decades of dedication to the RE/MAX organization.

The anniversary comes during another exceptional year. To date in 2026, Wilkins is ranked No. 1 on Marco Island by RealTrends. Within RE/MAX, he is currently ranked No. 1 in Florida, No. 4 in the United States and No. 8 worldwide among a global network of more than 180,000 agents. These rankings reflect current 2026 performance rather than final full-year results.

While the recognition is significant, Wilkins credits his success to the clients who have entrusted him with some of their most important financial and personal decisions.

“Every property and every client has a different story,” Wilkins said. “My responsibility is to listen, understand what matters most and provide the experience, strategy and representation necessary to help them move forward with confidence.”

With [more than 40 years of real estate experience](#) and over \$1.4 billion in career sales, Wilkins

has represented buyers and sellers throughout Marco Island, Naples and the surrounding [Southwest Florida luxury market](#). His work encompasses waterfront estates, Gulf-front condominiums, homesites, new construction and distinctive properties requiring highly individualized marketing and negotiation.

Among his notable recent transactions was the \$15.15 million sale of 1640 Dolphin Court in Naples, demonstrating his ability to position and represent exceptional properties at the highest levels of the market.

Wilkins' approach combines informed pricing, targeted exposure, sophisticated property marketing and direct involvement throughout each transaction. His longstanding affiliation with RE/MAX also provides clients with the reach and resources of one of the world's most recognized real estate networks.

As Wilkins marks this milestone, his focus remains firmly on the work ahead: serving clients, representing remarkable properties and continuing to build relationships based on trust, communication and results.
