

DITA Pro Clean Launches New Website Covering 15 Metro Detroit Cities

CLINTON TOWNSHIP , MI, UNITED STATES, September 2, 2026

/EINPresswire.com/ -- [DITA Pro Clean](#), a locally owned residential and commercial cleaning company serving Macomb County, eastern Oakland County, Detroit and Grosse Pointe, has launched a new website at <https://ditaproclean.com>.

“

People are tired of booking apps that send a different stranger every month. I walk the house myself, I write down exactly what we are doing, and the client has my number if anything is ever missed.”

Dita Hoxha, Owner & Operator at Dita Pro Clean

The site gives Metro Detroit households a clear picture of what the company does before they ever pick up the phone. Nine residential cleaning services are documented in detail, from deep cleaning and move out cleaning to recurring maid service, Airbnb turnovers and post construction cleanup. A separate commercial section covers contracted janitorial services, office cleaning for tenant suites, and disinfection for medical, dental and treatment spaces.

Fifteen dedicated city pages cover Sterling Heights, Clinton Township, Macomb Township, Warren, Chesterfield,

Washington Township, Utica, New Baltimore, Detroit, Grosse Pointe, Troy, Royal Oak, Rochester, Rochester Hills and Birmingham, along with the surrounding communities in between.

The new site is built around how the company actually works. Owner [Dita Hoxha](#) walks every home room by room before a price is given, then writes a checklist against the real floor plan. The same small team returns on every visit.

"Most cleaning complaints are consistency problems, not effort problems," said Dita Hoxha, owner of DITA Pro Clean. "People are tired of booking apps that send a different stranger every month. I walk the house myself, I write down exactly what we are doing, and the client has my number if anything is ever missed."

DITA Pro Clean is fully insured, and every cleaner is vetted and background-checked before being trusted with a key or an alarm code. Certificates of insurance are available for condo boards, HOA offices and commercial vendor registration on request.

Visitors to the new site can request a free, no-obligation quote through an online form, or call and text the company directly at (248) 971-4886. Most quote requests are answered within one business day.

The website is live now at <https://ditaproclean.com>.
