

B&H Worldwide Renews Support for Yiewsley & West Drayton Food Bank

B&H Worldwide has successfully completed its second employee food donation drive in support of Yiewsley & West Drayton Food Bank.

WEST DRAYTON, MIDDLESEX, UNITED KINGDOM, September 2, 2026 /EINPresswire.com/ -- Heathrow, London – [B&H Worldwide](#), a global leader in [aerospace logistics](#), has successfully completed its second employee food donation drive in support of Yiewsley & West Drayton Food Bank, reinforcing the company's ongoing commitment to supporting the communities in which it operates.

B&H Worldwide's Food Bank Donation Drive

“

We hope our continued support will help make a positive difference to local families and encourage others within the community to get involved where they can.”

Caroline Span, HR Business Partner

Following the success of its inaugural collection last year, employees at the company's global headquarters once again came together to donate a wide range of essential food items, toiletries and household products to help local individuals and families facing financial hardship.

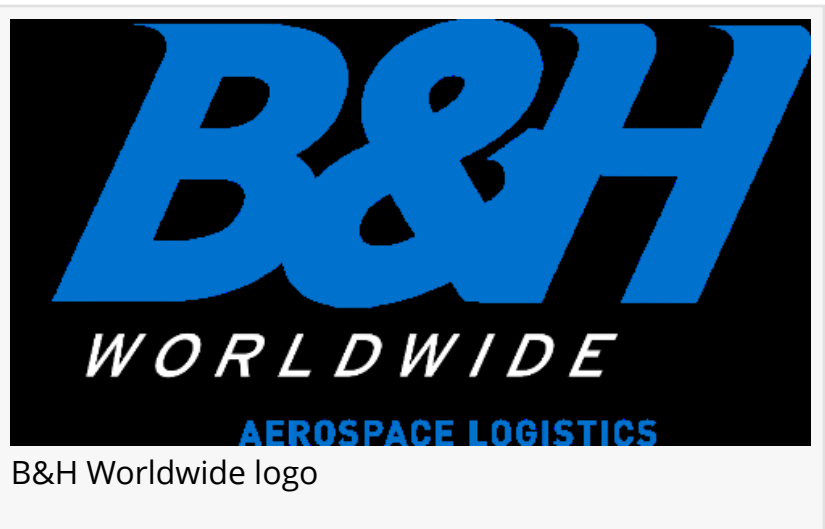

The latest donation arrives at a time when demand for food bank services continues to rise significantly. During May 2026 alone, Yiewsley & West Drayton Food Bank distributed 3,121kg of food and toiletries while receiving just 1,596kg in donations. The charity supported 269 people during the month, with almost one-third of

beneficiaries being children under the age of 17.

Founded in 2017, Yiewsley & West Drayton Food Bank provides emergency food parcels and practical support to individuals and families experiencing financial difficulties. Increasing demand has placed considerable pressure on the charity's resources, making community donations more important than ever.

Commenting on the current challenges facing the organisation, Fiona Balney from Yiewsley & West Drayton Food Bank said:

"Demand for our services continues to outpace the donations we receive, reflecting the financial pressures being experienced across the local community. Community support from organisations such as B&H Worldwide plays an important role in helping us continue providing essential assistance to those who need it most."

B&H Worldwide logo

The Food Bank also expressed its appreciation for B&H Worldwide's contribution, particularly the inclusion of personal care products alongside food donations.

"We are extremely grateful to everyone at B&H Worldwide for their generous donation. Essential toiletries remain one of our most needed items, yet they are often among the most expensive for charities to source. The wide variety of food donations, including everyday treats that help bring comfort to families, will make a meaningful difference to the people we support."

Caroline Spain, HR Business Partner at B&H Worldwide, who project managed and coordinate the donation drive, said:

"We are incredibly proud of the generosity shown by our colleagues once again. Supporting our local community is something that resonates strongly across B&H Worldwide, and it has been inspiring to see employees come together to contribute food, toiletries and other everyday essentials. We hope our continued support will help make a positive difference to local families and encourage others within the community to get involved where they can."

B&H Worldwide remains committed to supporting initiatives that create a positive impact beyond the [aerospace](#) industry. Through activities such as the annual food bank collection, the company continues to encourage colleagues to give back to the communities where they live and work.

The company would also like to encourage other local businesses, organisations and residents to support Yiewsley & West Drayton Food Bank through donations of food, toiletries and other household essentials, helping ensure that vulnerable members of the community continue to receive the support they need.
