

GP Strategies® Names Amit Khanna Chief Financial Officer

New appointment strengthens executive leadership team as GP Strategies enters next phase of growth.

TROY, MI, UNITED STATES, September 2, 2026 /EINPresswire.com/ -- [GP Strategies](#), a global leader in digital and AI-enabled learning and workforce transformation, announced today that [Amit Khanna](#) has joined the company as Chief Financial Officer.

Khanna brings extensive senior executive finance and strategy experience, having led and strengthened P&Ls ranging from \$150 million to \$3 billion across large global organizations and fast-scaling, private-equity-backed businesses alike. His background spans McKinsey & Company, Capital One, and Genpact, with deep expertise across FP&A, M&A and integration, finance transformation, board and investor reporting, and global team leadership across the US, India, EMEA, and LATAM. Most recently, he has built his career within PE-backed and public companies, giving him first-hand experience scaling organizations through both high-growth and disruption.

"Amit brings exactly the kind of finance partnership we need as we continue scaling GP Strategies," said Steve Coco, Chief Executive Officer of GP Strategies. "Beyond his deep experience, he brings a collaborative style that brings teams and processes together, and that combination will be instrumental as we extend our leadership position in this industry."

"Strong finance isn't just about the numbers; it's about being a real partner to the business," said Khanna. "That's the kind of role I want to play here, and I'm excited to help GP Strategies scale with the discipline and clarity this next chapter deserves."
