

Red Piranha Joins University Western Australia Global Engagement Alliance for Cybersecurity Collaboration

Red Piranha joins UWA Global Engagement Alliance to strengthen Australia-India ties, advancing cybersecurity collaboration, education, and research.

MELBOURNE, VICTORIA, AUSTRALIA, September 3, 2026 /EINPresswire.com/

-- Red Piranha, Australia's leading developer and manufacturer of advanced cybersecurity technology, is excited to announce the formal signing and launch of University Western Australia (UWA) Global Engagement Alliance (Alliance) Memorandum of Understanding (MOU), at the IC3 Conference in Mumbai, India on 19 August 2026.

Red Piranha Joins UWA Alliance for Cybersecurity Collaboration

Red Piranha was selected by UWA, to join the leading bilateral forum, that brings together emerging leaders from Australia and India, to foster and grow long-term relationships and collaboration, encouraging development of ideas and initiatives that strengthen significant deeper gateways increasing Western Australia's - India partnership.

“

At Red Piranha, innovation in cybersecurity thrives on collaboration. Partnering with UWA empowers future leaders with skills and perspective to safeguard our digital future.”

Adam Bennett, CEO of Red Piranha

The Alliance will increase opportunities for international engagement across teaching, research and related activities, while promoting the exchange of knowledge, expertise and best practice.

Within the framework of the initiative, both Red Piranha

and UWA may collaborate on a range of joint activities and programs, including but not limited to;

- a) mentorship programs
- b) internships
- c) graduate placements
- d) collaboration in research engagement;
- e) joint conferences and other meetings;
- f) supporting global initiatives for transnational education
- g) scholarships
- h) fellowships

Building on our strong partnerships with educational institutions, Red Piranha is proud to support this forward-thinking global initiative, which brings together cybersecurity awareness and education, to equip students, educators, and communities with the knowledge and skills needed to create a lasting impact and empower future generations, to navigate an increasingly digital world.
