

We're Proud to Announce that CISEVE is now a Cyber AB Accredited C3PAO!

CISEVE has met the rigorous requirements of ISO 17020:2012, necessary to perform CMMC Level 2 certification assessments within the CMMC ecosystem.

BURLINGTON, MA, UNITED STATES,
September 2, 2026 /EINPresswire.com/

-- This achievement reflects our team's commitment to integrity, consistency, and excellence in CMMC assessments. Accreditation represents more than a designation—it demonstrates that our

organization has met the rigorous requirements of ISO 17020:2012, necessary to perform CMMC Level 2 certification assessments within the CMMC ecosystem.

CISEVE is now an Accredited C3PAO!

“

This achievement reflects our team's commitment to integrity, consistency, and excellence in CMMC assessments.”

Michael Dempsey

We're excited to continue supporting the Defense Industrial Base by providing independent, objective, and professional CMMC assessments to organizations working to protect Controlled Unclassified Information (CUI).

A sincere thank you to our entire team and everyone who supported us throughout the accreditation process.

We're accredited. We're ready. And we look forward to

helping strengthen the cybersecurity posture of the Defense Industrial Base.
