

Fall's Cozy Delight: DonutNV Launches Flavor of the Month Campaign Featuring Hot Pumpkin Roll Mini Donuts

Limited-time Pumpkin Roll minis and seasonal apple cider return to participating trucks nationwide through October

ORLANDO, FL, UNITED STATES, September 2, 2026 /EINPresswire.com/ -- DonutNV, the interactive mobile mini donut brand known for serving hot, made-to-order treats through its signature "Watch the Donuts" window, today announced its Flavor of the Month campaign for September and October 2026: Pumpkin Roll mini donuts.

The limited-time flavor returns as a fan favorite for fall, featuring a rich combination of Torani® pumpkin sauce, Golden Oreo® NVous morsels, and a dusting of powdered sugar on DonutNV's light, cake-style mini donuts. Every batch is fried fresh to order on the brand's mobile trucks and trailers, so guests get a warm, seasonal treat made right in front of them.

Available by the bag, box, or bucket, Pumpkin Roll minis are designed for sharing at community events, fundraisers, sports functions, office gatherings, and backyard celebrations — or for a solo autumn indulgence.

DonutNV's seasonal apple cider has also returned for a limited time, available warm or chilled at select locations during the fall season. The pairing of hot Pumpkin Roll minis and apple cider is intended to capture the cozy flavors guests look for as summer turns to fall.

"We're thrilled to bring back our beloved Pumpkin Roll mini donuts for the fall season — a Flavor of the Month that delights guests of all ages," said Amanda Gingold, Co-Founder of DonutNV
