

Pups & Cupcakes Adoption Event

Great American Self Storage of Lake Norman to Host "Pups & Cupcakes" Adoption Event with Piedmont Animal Rescue.

MOORESVILLE, NC, UNITED STATES, September 2, 2026 /EINPresswire.com/ -- [Great American Self Storage](https://www.GreatAmericanSelfStorage.com) of Lake Norman is teaming up with [Piedmont Animal Rescue](https://www.PiedmontAnimalRescue.com) for Pups & Cupcakes, a community adoption event on Saturday, September 26, from 10:00 a.m. to 1:00 p.m. at 119 Executive Center Pl in Mooresville.

The event will bring adoptable dogs and cats from Piedmont Animal Rescue to the Lake Norman facility, giving local families a chance to meet animals looking for homes while enjoying a fun Saturday out. There will also be complimentary cupcakes, a cupcake food truck (handing out free cupcakes!!), WHIP Radio DJing, and, naturally, pup cups for the four-legged attendees.

For the Great American Self Storage team, partnering with Piedmont Animal Rescue was a perfect fit. Many of the company's employees have rescue pets of their own, making animal rescue a cause that hits especially close to home.

"We didn't have to convince anyone internally to get behind this one," said David Gandolfo, CEO, Great American Self Storage. "Half our team has a rescue dog snoring somewhere in the next room. Piedmont does the hard work of getting these animals ready for a home. We're just happy to open our doors and help them find one."

The community can also support Piedmont Animal Rescue by donating items from the organization's Amazon wish list, which Great American Self Storage is sharing on the event's Facebook page.

Piedmont Animal Rescue is a 501(c) Nonprofit Animal Rescue Organization. They aspire to save and rehome animals and dogs in the Mooresville, NC area. They also help other little friends,

including hamsters and rabbits, find worthy, loving humans! We are a non-profit organization helping lost animals find a true haven.

Pups & Cupcakes is free and open to the public, and no RSVP is required.
