

Clients and Community Supporters Help Brooks Law Group Earn 2026 Best of Florida Regional Recognition

Recognition follows statewide voting as Brooks Law Group continues representing seriously injured Floridians, including victims of commercial vehicle crashes

TAMPA, FL, UNITED STATES, September 2, 2026 /EINPresswire.com/ -- Clients and community supporters have helped Brooks Law Group earn recognition as a 2026 Best of Florida Regional Winner in the Personal Injury Firms category, marking the third consecutive year the Florida personal injury firm has been recognized through Guide to Florida's annual Best of Florida awards.

Guide to Florida's Best of Florida program uses statewide voting, followed by review and verification by its editorial and compliance team, to recognize businesses and professional services across Florida.

For Brooks Law Group, the recognition carries particular meaning because of the people behind the votes.

"A vote like this means something because it comes from the people who know our firm," said Steve Brooks of Brooks Law Group. "Many of the families who come to us are dealing with one of the hardest periods of their lives. Knowing that people remember how our team showed up for them is the part of this recognition that matters most."

That focus also extends beyond the courtroom. The scholarship reflects a broader commitment to education and awareness around issues connected to commercial vehicle safety.

The 2026 honor marks Brooks Law Group's third consecutive year of recognition through the Best of Florida program, reinforcing the significance of continued support from clients and community members.

"We never want to lose sight of what is behind recognition like this," Brooks said. "Every vote represents someone who knows our firm, has worked with our team or believes in the work we are doing. To receive that kind of support three years in a row is something our entire team is grateful for."
