LogiQuip® and Lovell Announce Partnership to Expand Access to Healthcare Storage Solutions for VA, DoD, and IHS

LogiQuip and Lovell partner to expand access to healthcare storage and inventory management solutions across VA, DoD, and IHS facilities.

PENSACOLA, FL, UNITED STATES, September 3, 2026 /EINPresswire.com/ -- LogiQuip®, a leading provider of healthcare storage and inventory management solutions, and Lovell® Government Services, a Service-Disabled Veteran-Owned Small Business (SDVOSB), today announced a partnership to serve federal healthcare systems, including the Veterans Health Administration (VHA), the Military Health System (MHS), and the Indian Health Service (IHS).

Through the partnership, LogiQuip's healthcare storage and inventory management solutions will be available to federal customers through Lovell Government Services' contract portfolio, simplifying procurement while helping agencies meet their SDVOSB purchasing goals.

For more than 30 years, LogiQuip has helped healthcare organizations improve supply chain efficiency with customized storage systems, inventory management strategies, and turnkey implementation services. Its solutions are designed to reduce waste, improve clinical workflows, and ensure critical supplies are available when and where they are needed, allowing healthcare teams to focus on delivering quality patient care.

"At LogiQuip, we measure success by whether clinicians feel the real, positive impact of our work every single day," said AJ Willit, President, CEO, and Owner of LogiQuip. "Partnering with Lovell allows us to bring our complete solution directly to the VA, DoD, and IHS facilities that serve our veterans and service members. These are the men and women who've given so much for our country, and they deserve supply chain systems that never let them down. We're proud to work alongside Lovell to make that a reality."

As LogiQuip's SDVOSB vendor, Lovell Government Services will make the company's healthcare storage solutions more accessible through established federal contracting vehicles, helping streamline the purchasing process for VA, DoD, and IHS facilities.

"Federal healthcare facilities rely on efficient, dependable supply management to deliver exceptional patient care," said Chris Lovell, Major, USMC (Ret.), CEO of Lovell Government Services. "We're excited to partner with LogiQuip to help federal healthcare providers gain easier access to innovative storage and inventory management solutions while simplifying procurement."
