PLLC is proud to announce that it has been recognized as a Top Law Firm of 2026 by [MyLegalWin](#) as part of its annual recognition program honoring law firms that demonstrate excellence in client service, professional integrity, and meaningful contributions to their communities.

Founded by Florida attorney Amarillis Vélez Díaz, Velez Legal Practice has built its reputation on a simple philosophy: "Less business. More connection." The firm

believes that exceptional legal representation goes beyond preparing documents or resolving legal matters—it begins with listening, understanding each client's unique circumstances, and building relationships founded on trust.

Serving clients throughout the State of Florida, Velez Legal Practice provides personalized legal counsel in the areas of: Estate Planning, Probate Administration, Business Law, Real Estate Law, Asset Protection and Legacy Planning.

The firm is dedicated to helping individuals, families, entrepreneurs, and business owners make informed legal decisions that protect what they have built and preserve what matters most for future generations.

"Receiving this recognition is both an honor and a reminder of why we do this work every day," said Amarillis Vélez Díaz, Founder and Managing Attorney of Velez Legal Practice. "Behind every legal matter is a person, a family, or a business trusting us during an important chapter of their lives. We are deeply grateful for that trust, and we remain committed to serving every client with compassion, integrity, professionalism, and genuine connection."

Since its founding, Velez Legal Practice has emphasized education, proactive planning, and long-term client relationships. The firm believes that the best legal strategy is one that empowers clients before challenges arise. Through educational resources, workshops, community outreach, and personalized legal guidance, the firm strives to make the law more understandable and accessible for everyone it serves.

COMMITMENT TO PROFESSIONAL EXCELLENCE

Attorney Amarillis Vélez Díaz is committed to continual professional growth and leadership within the legal profession. In addition to maintaining an active legal practice, she successfully completed an executive leadership program through the University of Oxford, strengthening her leadership, strategic decision-making, and organizational management skills.

Her dedication to excellence has also earned her several professional honors, including selection as a Super Lawyers Rising Star, recognition among Top Law Firms in America, and a feature in Orlando Style Magazine for her contributions to the legal profession. Beyond her private practice, she volunteers her time through the Orange County Bar Association's Lawyer Referral Service and Self-Help Center, helping improve access to justice by providing legal guidance to community members. She also serves as General Counsel for the Hispanic American Professional and Business Women's Association (HAPBWA), supporting an organization dedicated to empowering women through leadership, education, and professional development.

These accomplishments reflect the firm's broader commitment to lifelong learning, ethical advocacy, community service, and excellence in every aspect of its practice.

The firm's client-centered approach has earned a reputation for responsiveness, professionalism, and personalized service. Rather than viewing legal representation as a one-time transaction, Velez Legal Practice focuses on becoming a long-term legal partner, helping clients navigate the evolving legal needs of their families, businesses, and investments.

The Top Law Firm of 2026 recognition from MyLegalWin reflects the firm's unwavering dedication to legal excellence, client advocacy, and meaningful community impact.
