For more than 20 years, DPA has been creating coveted celebrity gifting experiences at some of the world's most important entertainment events. This year's September edition continues that legacy, bringing together television stars, nominees, presenters, producers, entertainment executives, influencers, media and an exceptional collection of luxury and emerging brands. The carefully curated experience goes beyond traditional celebrity gifting. Guests are invited to meet brand founders, experience products firsthand and discover new names that can become part of their personal lifestyle and social media universe.

“This first award show of the season celebrates extraordinary talent and creativity, and that is exactly the spirit we want to bring to our Gift Suite,” says Nathalie Dubois, Founder of DPA Gift Suites. “For us, it is never simply about putting a product into a gift bag. It is about creating an experience, introducing exceptional brands to exceptional people, and creating connections that continue long after this awards weekend.”

AULI'I

Among the highlights of this year's DPA Pre Awards Gift Suite will be an exclusive selection of three exceptional French brands personally curated by DPA founder Nathalie Dubois. Bringing a touch of French savoir-faire to the Weekend, the collection introduces Hollywood's entertainment community to three distinctive brands selected for their creativity, quality and unique stories: Perfumes houses L’Entropiste and Betenoir, along Masqly will offer guests the opportunity to discover products rarely encountered in the traditional Hollywood gifting landscape. “For me, France represents much more than a country—it represents a philosophy of beauty, craftsmanship and savoir-faire,” says French born Nathalie Dubois. “I wanted to bring that spirit to the DPA Gift Suite and give our guests the opportunity to discover something they may not have experienced before.”

During Emmy Weekend, DPA and DPA Japan (Its Japanese branch) invites you to also discover Nursery, a special Japanese brand bringing the beauty, craftsmanship and spirit of Japan to Hollywood. Guests will be invited to experience the brand through an intimate Japanese-inspired presentation hosted by Nursery's CEO, who will personally welcome celebrities and entertainment personalities and share the story behind the brand.
