

Upgames will be present at SBC Summit 2026 in Lisbon

Upgames will present its mini-game portfolio at Stand B306 during SBC Summit 2026, taking place from 29 September to 1 October.

ZUG, SWITZERLAND, September 3, 2026 /EINPresswire.com/ -- [Upgames will exhibit at SBC Summit 2026](#) in Lisbon, where operators, aggregators, platform providers, affiliates, and other iGaming professionals will gather for three days of meetings, networking, and product showcases.

Visitors will be able to meet the Upgames team at Stand B306 and explore a [selection of mini-games](#) from the company's growing portfolio. They will check out a range of Upgames titles at the event, including Dino, Icefield, Popcorn, Plinko, Lepinata, and Pandastic. The selection will give attendees a closer look at the variety within the Upgames portfolio. There will also be some new developments to watch for. Upgames is preparing to introduce a new mini-game in the near future, and SBC Summit may offer visitors an early glimpse at what is coming next.

Alongside product demonstrations, the event will give the team an opportunity to meet existing [Upgames partners](#) and start conversations with new operators and platform businesses. Discussions during the summit will focus on game integration, performance across different markets, player preferences, and how mini-games can be added to existing casino content portfolios.

SBC Summit 2026 will also provide Upgames with an opportunity to learn more about current operator needs and market trends while continuing to expand its presence across international markets.

Upgames will welcome visitors at Stand B306 throughout the event, from 29 September to 1 October in Lisbon.

About Upgames

Upgames is an iGaming content provider focused on fast and accessible mini-games. Its portfolio includes crash-style, instant, and other interactive titles designed around simple mechanics, short gameplay cycles, and clear player experiences.

The company works with operators, aggregators, and platform providers across different markets, offering content that can be integrated into a wide range of iGaming environments.
