Fai Chan Selected for The Empowered Woman Award by IAOTP

The International Association of Top Professionals (IAOTP) will honor Fai Chan at their Annual Awards Gala in NYC at the Plaza Hotel

NEW YORK, NY, UNITED STATES, September 3, 2026 /EINPresswire.com/ -- Fai Chan, Aromatherapist at Deli Aroma LLC, was recently selected for The Empowered Woman Award for 2026 by the International Association of Top Professionals (IAOTP) for her outstanding leadership, dedication, and commitment to the industry. The International Association of Top Professionals (IAOTP), a leading global professional organization known for its prestigious annual awards gala and exclusive vetting process, honors only the most accomplished and influential professionals each year.

Inclusion with the International Association of Top Professionals (IAOTP) is an honor; only a few women are chosen for this distinction based on their years of experience, professional accomplishments, academic achievements, leadership abilities, and contributions to their communities. These women empower others with innovation and compassion to reach their goals while creating change for future generations. Fai Chan will be honored for this distinction at IAOTP's 2026 Annual Awards Gala.

With over a decade of experience in the industry, Ms. Chan has certainly proven herself an expert in the field. As a dynamic, results driven leader, Ms. Chan is a Clinical Aromatherapist at Deli Aroma LLC. As a student, she published research findings with international aromatherapy journals. In 2015, she served the board of a world leading aromatherapy association (Alliance of International Aromatherapists). She was also the chair of the publication committee. Deli Aroma LLC is dedicated to holistic healing protocols and research. Grounded by pharmacology, her specialties are in the healing of psychiatric/neurological issues and diabetes. Based on

Traditional Chinese Medicine (TCM) framework, with the synergistic effects of combining the therapeutic approach with chemistry, her remedies are very effective.

Deli Aroma plays a crucial role in the industry by providing insights and potential avenues for future research collaborations with labs or institutions. While the company can handle all aspects of research, Fai believes in the power of teamwork. She understands when to delegate responsibilities to others, allowing them to develop and contribute their expertise.

Many refer to this approach as integrative medicine because it bridges the gap between traditional healing practices and modern scientific research. However, it's a complex field as people often employ various health and wellness practices alongside traditional medical advice.
Areas of expertise include, but are not limited to holistic healing, Traditional Chinese Medicine, and aromatherapy.

Throughout her illustrious career, Ms. Chan has received many awards and accolades and has been recognized worldwide for her accomplishments. She will be honored on stage at IAOTP's annual awards gala at the iconic Plaza Hotel in New York City this December for both of her selections of Top Aromatherapist of the Year for 2026 as well as The Empowered Woman Award.

The President of the International Association of Top Professionals (IAOTP), Stephanie Cirami, stated: "Choosing Ms. Chan for this honor was an easy decision for our panel to make. She is inspirational, influential, and a true visionary and thought leader. We cannot wait to meet her and celebrate all of her accomplishments at this year's gala."

Looking back, Ms. Chan attributes her success to persistence and mentors she had along the way. When not working, she enjoys writing, reading and cooking. In the future, she looks forward to continuing to expand her business.
