'Mike The Chosen' Returns to R&B with a Mission to Bring the Romance Back Releasing through Rocstar & ada/Warner Music

INDIANAPOLIS, IN, UNITED STATES, September 4, 2026 /EINPresswire.com/ -- Mike Mosley, also known as “Mike the Chosen” and affectionately known throughout the industry as “Big Mike,” is stepping into a powerful new chapter with the release of his latest single through Rocstar & ada/Warner Music, "After the Club" released August 28th, 2026.

On a mission to bring the romance back into R&B, Mike The Chosen blends funky melodies, a swaggy bassline, smooth vocals, and a distinctive street edge to create music that speaks directly to the heart and soul. His sound draws from the timeless traditions of R&B, Gospel, and Adult Contemporary while adding the influence and energy of hip-hop.

A seasoned vocalist, performer, songwriter, and producer, Mike The Chosen has spent decades refining his craft. Born and raised in Indianapolis, his musical journey began as a child singing alongside his mother. His natural gift led him into the church choir and eventually into a series of groups that helped shape his career, including Smooth, Truly Gifted, and Chaotic Minds.

Throughout his career, Mike the Chosen has built an impressive network of collaborators and industry relationships, working alongside talents including Timothy Brown (Father MC), John Howcott, Lil G of Silk, Isaac Hayes,

Rodney Phillips, and Melvin McLain.

Now, Mike The Chosen is bringing all of those experiences into his solo career.

His catalog includes songs such as “After the Club,” “Back 2 U,” and “What It Does,” showcasing an artist who understands how to combine grown-man romance, real-life storytelling, soulful melodies, and contemporary swagger.

In January 2025, he signed with LBH Multimedia Management Group, a partnership that helped propel his solo career forward and led to a solo recording agreement with Rocstar & ada/Warner Music.

The new release arrives at a pivotal moment. With performances and appearances continuing to expand, he’s building momentum across the country, including appearances connected to the BET Music Awards, New York's Heritage Festival, Midwest Hip-Hop Awards, and Cash Bash 2, alongside major acts including T-Pain, 2 Chainz, and Chance the Rapper.

His music has also attracted attention from radio, including features and interviews with iHeartRadio and EAJ 1023's Eddie O'Jay Show, giving audiences an opportunity to hear the story behind the man and the music, but beyond the accolades and industry connections, Mike The Chosen's music remains rooted in something much deeper: family, faith, love, and community.

A husband of more than three decades, father, and grandfather, Mosley draws inspiration from the people and experiences that have shaped his life. His songs reflect stories of hope, pain, perseverance, and love—music designed not only to entertain, but to uplift.

“I'm bringing the romance back to R&B,” Mike The Chosen says. “This music is real. It's about love, life, and everything we've been through to get here.”

With a new partnership, new music, and a growing performance schedule, Mike The Chosen is proving that his story is far from finished.
He’s still moving forward. Still betting on himself. Still making music for the soul.
