

Douglas Marcille to Appear on Legacy Makers TV

FL, UNITED STATES, September 4, 2026 /EINPresswire.com/ -- Douglas Marcille, executive leader and direct lightning prevention professional, is set to appear on Legacy Makers TV, where he will share insights on changing the way industries approach lightning risk, direct lightning prevention, and protecting people and critical operations.

Legacy Makers is a cinematic docu-series showcasing actors, athletes, entrepreneurs, and other iconic figures by capturing their personal and professional journeys and lessons. This unique TV show, hosted by Celebrity Entrepreneur Rudy Mawer, features many influential people from all walks of life, whose stories can be viewed on the show's [website](#)

In his episode, Marcille will explore the distinction between traditional lightning protection and a proactive approach focused on preventing direct lightning strikes within a protected area. He breaks down how prevention, grounding, and protection from indirect surges can help protect people, sensitive systems, and critical operations.

Viewers will walk away with a greater understanding of proactive lightning risk management and the importance of unseen efforts that help protect others.

Douglas's episode will be available soon on Inside Success Network streaming platforms. In the meantime, you can find out more by visiting <https://cast.insidesuccesstv.com/douglas-marcille>
