Lotus House Events Completes Full Interior Renovation of Las Vegas Luxury Garden Wedding Venue

Lotus House Events, a luxury garden wedding and event venue, is nearing completion of a full interior renovation set to finish in early September 2026.

LAS VEGAS, NV, UNITED STATES, September 4, 2026 /EINPresswire.com/ -- Lotus House Events, a luxury garden wedding and event venue located at 8311 Farm Road in Las Vegas, is nearing completion of a full interior renovation set to finish in early September 2026. The redesign transforms every indoor space while preserving the lush outdoor gardens and mature landscaping that have made the venue one of the most sought-after private wedding properties in the Las Vegas Valley.

The property accommodates up to 250 guests and offers exclusive, one-wedding-per-day rental for weddings and private events. Private tours are available now — couples can walk the property during the final stages of construction and see the transformation firsthand. "This renovation brings a new level of luxury and sophistication to an already stunning event venue. Our garden has always been what draws couples in, and now the interior matches that experience completely. Every space was designed with the couple and their guests in mind — from the bridal suite where you get ready to the bar where your guests celebrate to the reception hall where you share your first dance. We cannot wait to show it off." — Monica, General Manager, Lotus House Events

Renovation Highlights

The interior renovation introduces Italian marble, warm wood paneling, brushed gold fixtures,

and custom lighting throughout. Key additions include a redesigned bridal suite with four dedicated vanity stations framed by backlit arch mirrors, a new marble-front bar with fluted stone detailing and the venue's signature Lotus logo in illuminated neon, and fully renovated guest-facing bathrooms featuring zellige tile, floating marble vanities, and designer fixtures. The reception hall preserves its soaring ceilings, expansive skylights, dramatic staircase, and floor-to-ceiling glass doors opening onto the garden — with new flooring, updated lighting, and refined architectural details. The renovation is on track to be completed in early September 2026.

Three Wedding Packages for Every Couple

Lotus House Events offers three distinct wedding packages designed to meet couples wherever they are in their planning — whether they want a fully guided experience, a flexible hybrid, or complete creative control.

The Signature Package (All-Inclusive)

The Signature Package is the complete Lotus House experience. The venue's trusted vendor team and thoughtfully designed details create a beautiful, seamless event from start to finish. Lotus House coordinates the vendors, details, and moving pieces, allowing couples to enjoy the planning process without managing everything themselves. From catering with the venue's partnered team to day-of coordination, every aspect of the celebration is handled at the highest level. The Signature Package is built for couples who want the most support, the least vendor management, and the confidence that every detail is in expert hands.

The Curated Package (Hybrid)

The Curated Package gives couples the flexibility to create an experience that feels uniquely theirs while still enjoying Lotus House's support and coordination. Couples can mix and match —

selecting Lotus House vendor packages for the services they want handled, while bringing in their own photographer, florist, DJ, or other vendors for the rest. Lotus House coordinates communication and payments for the vendor packages couples select, so they get the best of both worlds: flexibility without having to do everything themselves.

The Custom Package (Build Your Own)

The Custom Package gives couples the greatest flexibility to build their celebration exactly the way they envision it. Couples reserve the Lotus House venue and then select and manage their own vendors, services, and details. It is ideal for couples who already have a vendor team in mind, love planning the details themselves, or want complete creative freedom over every element of their day.

A Venue Built for Luxury — At Every Scale

Whether a couple is planning a 30-guest intimate celebration or a 250-guest luxury event, Lotus House Events is designed to deliver an elevated experience at every scale. The redesigned interior provides a design-forward backdrop that requires no additional decoration to feel finished. The one-wedding-per-day model ensures that every couple receives the venue's undivided attention, the full property is exclusively theirs, and every detail — from the bridal suite to the bar to the garden — is set to their vision.

For luxury clients planning large-scale celebrations, the Signature Package provides end-to-end coordination with a hand-selected vendor team that knows the venue intimately. The Lotus House team manages every aspect of the day — catering, bar service, vendor logistics, timeline management, and day-of execution — so the couple and their guests can focus entirely on the celebration. Every touchpoint, from the ceremony in the garden to the last dance in the reception hall, is handled with the same level of care and attention to detail.

Booking and Tours

Private tours are available now during the final stages of renovation. The venue is currently accepting bookings for weddings and events up to two years in advance, with most current inquiries targeting fall 2027. To schedule a tour or inquire about available dates and packages, couples are encouraged to call Lotus House Events directly.
