

Manual Therapy Resources Support Massage Therapy Education

BOULDER, CO, UNITED STATES,
September 7, 2026 /EINPresswire.com/
-- [Books of Discovery](#) provides print and digital learning resources for massage therapy programs, including titles covering musculoskeletal anatomy, palpation, pathology, movement, ethics, business, and anatomy and physiology. Its materials support classroom instruction and independent study across manual therapy subjects.

Massage therapy educators and students can use resources built around [anatomy for massage therapists](#) alongside titles such as Trail Guide to the Body and A Massage Therapist's Guide to Pathology. Trail Guide to the Body, now in its seventh edition, teaches palpatory anatomy through exploration of the musculoskeletal system and surface anatomy.

Instructor support extends beyond textbooks. Available materials include digital desk copies, PowerPoint presentations, image banks, test questions, curriculum templates, answer keys, student exercises, and alignment resources for massage therapy education. Selected eTextbooks are delivered through VitalSource Bookshelf, while alternate formats, including PDF downloads, are available upon request for accessibility support.

Students can also access study tools intended to reinforce classroom learning and exam preparation. When you purchase a print copy of A Massage Therapist's Guide to Pathology, 7th Edition, a two-year eTextbook option is available for \$10, providing another format for studying conditions relevant to massage therapy practice and anatomy for massage therapists.

Education account support covers massage therapy, physical therapy, occupational therapy, athletic training, exercise science, kinesiology, and other related programs. Customer support addresses eTextbook code redemption, instructor and student resources, academic textbook orders, consumer orders, and accessibility questions.

Further information is available for educators, students, and program representatives. Interested readers may use the contact details provided below.
