

SHarper Surgery & Med Spa Announces Collagen & Cocktails Event at Newfields in Indianapolis

SHarper's September 25th event will bring together aesthetic education, treatment demonstrations, event-only pricing and more than \$10,000 in giveaways.

INDIANAPOLIS, IN, UNITED STATES, September 8, 2026 /EINPresswire.com/ -- SHarper Surgery &

“

Our goal with Collagen & Cocktails is to make aesthetic education approachable and give people the opportunity to have real conversations with our team.”

Dr. Jaime Harper

Med Spa will host Collagen & Cocktails on September 25, 2026, at Newfields in Indianapolis, bringing patients and members of the community together for an evening focused on aesthetic education, treatment options and access to SHarper's medical aesthetics team.

The gala-style event will take place from 6:00 to 8:30 p.m., with a private SHarper Skin Society member hour from 5:00 to 6:00 p.m. Guests will also have the opportunity to enjoy the Newfields museum and gardens during the evening.

Collagen & Cocktails is designed to give attendees an opportunity to learn more about advanced aesthetic options in an informal setting while meeting SHarper providers and exploring some of the technologies available at the Indianapolis-area plastic surgery and med spa practice.

“Our goal with Collagen & Cocktails is to make aesthetic education approachable and give people the opportunity to have real conversations with our team,” said Dr. Jaime Harper, physician and co-founder of SHarper Surgery & Med Spa. “There are more treatment options available than ever, and an event like this gives patients a chance to learn what those treatments actually do and which options may be appropriate for their individual goals.”

Throughout the evening, attendees will be able to learn about treatments including [CO2 laser skin resurfacing](#), Morpheus8, [microneedling](#) with stacked peptides, injectables, and the SHarper Skin Society membership program.

The event will also feature SHarper's event-only treatment and package pricing, which the

practice describes as its best pricing of the year. Details of the Collagen & Cocktails specials are scheduled to be released September 20.

In addition, more than \$10,000 in prizes will be given away during the event. Based on the planned attendance and giveaway structure, SHarper estimates that attendees will have approximately a one-in-40 chance of receiving a prize. Guests who bring a friend can receive an additional giveaway entry.

Cocktails and light bites will be served throughout the evening.

Collagen & Cocktails is part of SHarper Surgery & Med Spa's broader effort to provide education about aesthetic medicine and help patients understand the range of surgical and nonsurgical options available to them. SHarper serves patients throughout Central Indiana from locations in Indianapolis, Fishers and Avon.

Tickets are \$25, and attendance is limited. [Purchase tickets online here.](#)
