Strategy Officer*

SoftPro announced today that SoftPro users can now assign orders to Stellar Innovations as a preferred vendor directly within their existing workflow. Through SoftPro Sync, completed title searches, tax certificates, and structured data flow straight into SoftPro, requiring no additional portals, manual steps, or workflow disruptions.

The integration supports:

- Title search coverage across 50 states with standardized, audit-ready outputs

- Nationwide tax certificates with automated data pulls and human verification
- Production-ready data delivered directly into SoftPro via SoftPro Sync
- Stellar's proprietary AI-powered platform suite including [UNIDEX](#), TitleDex.ai, [FastTaxCert](#), and UniClose
- Scalable fulfillment backed by Stellar’s national operations and enterprise-grade quality control

“Title agents deserve technology that fits the way they already work. With SoftPro Sync, Stellar Innovations delivers exactly that with speed, accuracy, and nationwide coverage without requiring agents to change their workflows,” said Andrew Michelson, Chief Strategy Officer at Stellar Innovations.
